The Toyota Camry is a mid-size car that was produced by Toyota between 1991 and 1996 in Japan and North America, and 1993 and 1997 in Australia. The XV10 series represented the third generation of the Toyota Camry in all markets outside Japan, which followed a different generational lineage. The XV10 Camry range is split into different model codes indicative of the engine. Four-cylinder models use the SXV10/SDV10 codes, with VCV10 designating the six-cylinder versions, and MCV10 the later six-cy
