A brief Course on Apologetics ...

But why, do you think, is it  
important to study apologetics?

There are several reasons why we  
need to learn and practice  
apologetics. 1. The first and most  
obvious is because the Word of  
God commands us to be ready to  
defend the faith (recall 1. Peter  
3:15).

How will we study this in this course. ... Consider just a few brief examples. The Bible foretells the destruction of the city of Tyre with miraculous precision. Ezekiel predicted that Nebuchadnezzar, king of Babylon, would destroy the city (Ezekiel 26:7-8). Many nations were to come up against Tyre (26:3).

If you are offering a course that will be publicized through a catalog or brochure, you or the course sponsor will need to write a course description. The course description is vital to getting people to enroll in your course. A good course description can mean many enrollments while a poor course description can doom your course before it starts.

The electro-homoeopathic mode of treatment founded by Count, Caesar, Mattei in the year 1865 is based on the principle that vitiated conditions of blood and lymph are the first generating cause of abnormal changes and their morbid effects which gives rise to disease and that complex conditions of the human body can be cured only by complex mixtures of the active principles of various plants. The organon to the new world of electro-homoeopathy introduces the very basic concepts behind its evolution along with life histories of noted electro-homoeopaths, comparison of electro-homoeopathic and homoeopathy modes of treatment, aims and objectives, advantages, underlying laws and principles, essay on
