An inspirational, frequently disturbing memoir of a troubled youth describes how the author fell victim to the ills of the child welfare system and her long and difficult struggle to rebuild her life.

NEW YORK TIMES BESTSELLER • The heart-wrenching, uplifting tale about a woman named Cupcake “[Cupcake] Brown’s confessional . . . memoir is one you can’t easily put down. Her life is nothing short of a miracle.”—Chicago Sun-Times There are shelves of memoirs about overcoming the death of a parent, childhood abuse, rape, drug addiction, miscarriage, alcoholism, hustling, gangbanging, near-death injuries, drug dealing, prostitution, and homelessness. Cupcake Brown survived all these things before she’d even turned twenty. And that’s when things got interesting. . . Orphaned by the death of her mother and left in the hands of a sadistic foster parent, young Cupcake Brown learned to survive by turning tricks, downing hard liquor, and ingesting every drug she could find while hitchhiking up and down the California coast. She stumbled into gangbanging, drug dealing, hustling, prostitution, theft, and, eventually, the best scam of all: a series of 9-to-5 jobs. A Piece of Cake is unlike any memoir you’ll ever read. Moving in its frankness, this is the most satisfying, startlingly funny, and genuinely affecting tour through hell you’ll ever take. Praise for A Piece of Cake “[Brown] reflects now with insight and honesty on her experiences. . . . An engaging account . . . of a remarkable life filled with pain and wisdom, hope and redemption.”—San Francisco Chronicle “Dazzles you with the amazing change that is possible in one lifetime.”—Washington Post

The No.1 Sunday Times Bestseller This is the heart-wrenching true story of a girl named Cupcake and it begins when, aged eleven, she is orphaned and placed in the 'care' of sadistic foster parents. But there comes a point in her preteen years - maybe it's the night she first tries to run away and is exposed to drugs, alcohol, and sex all at once - when Cupcake's story shifts from a tear-jerking tragedy to a dark, deeply disturbing journey through hell. Cupcake learned to survive by turning tricks, downing hard liquor and ingesting every drug she could find while hitchhiking up and down the California coast. At just 16 she stumbled into the terrifying world of the gangsta, dealing drugs, hustling and only just surviving a drive-by shooting. Ironically, it was Cupcake's rapid descent into the nightmare of crack cocaine addiction that finally saved her. After one four-day crack binge she woke up behind a dumpster. Half-dressed and half-dead, she finally realized she had to change her life or die on the streets - another trash-can addict, another sad statistic. Astonishingly, Cupcake turned her life around and this is her brutally frank, startlingly funny story. Unlike any memoir you will ever read, A Piece of Cake is a redemptive, gripping tale of a resilient spirit who took on the worst of contemporary urban life and survived it. It is also the most genuinely affecting rollercoaster ride through hell and back that you will ever take.

Shopkins continue to be the hottest collectable craze! Shopkins are the hottest collectible toy! What happens when the Shoppies try to make it in showbiz and turn Shopville into Shoppypwood? Everyone knows Popette is the biggest movie fan in Shopville. One day, she decides to make a movie of her own- a popumentary about what makes Shopville so great! All of the Shoppies want to get in on the lights, camera, action, but each girl has a different idea of what kind of movie will be the sweetest success. Jessicake goes for a show-stopping musical while Bubblesha thinks a suspenseful action flick is what will take the cake. But what happens when Popette's movie begins looking less like a popbuster and more like a total flopbuster?

You'll love the cheerful colors and innovative designs in these 14 all-new patterns.

What if life threw you a magnificent opportunity, only to knock you down later and laugh at you? Would you fight back or let it pass? Nisha’s life is far from perfect. At twenty-six, she is plump, plain-looking, and without a boyfriend. A chance date and a bizarre twist of events lead her to the altar with suave Samir Sharma, only to be abandoned eight years later. As she struggles to stand on her own feet, Akash, a younger guy, enters her life. Can Nisha find love a second time? Tea for Two and a Piece of Cake is an unusual, a heart-warming, and gripping love-story between two people who have so much to lose by getting into a relationship with each other, yet so much to gain.

New Orleans pastry chef Rita Lucero is out to bake her way to the top. But when she finds her almost-ex-husband killed with a chef's knife in his back, she becomes suspect number one. Now it's up to her to find the real killer before she winds up as the next victim served.

The first biography of Dorothy Pitman Hughes, a trailblazing Black feminist activist whose work made children, race, and welfare rights central to the women's movement. Historian Laura Lovett weaves together a biography of an activist who was intersectional to the core revealing a remarkable legacy that few have known until now and will appeal to readers interested in urban studies, activism, and Black women's history. Dorothy Pitman Hughes was a transformative community organizer in New York City in the 1970s, who shared the stage with Gloria Steinem for five years, captivating audiences around the country. After leaving rural Georgia in the 1950s, she moved to New York, determined to fight for civil rights and equality. Lovett traces Pitman Hughes' transformation into a powerhouse activist determined to take on the needs of her community and build a platform for empowerment. She created lasting change by revitalizing her West Side neighborhood, a community subjected to racial discrimination, with nonexistent childcare and sub-standard housing, in which poverty, drug use, lack of job training, and the effects of the Vietnam War were evident She imagined and then created a high quality child care center which also offered job training, adult education classes, a Youth Action corps, housing assistance and food resources. Pitman Hughes' realization that the area could be revitalized by actively engaging and including the community was prescient and is startlingly relevant. As her stature and influence grew to a national level, Pitman Hughes went from the West Side to spending several years traversing the country with Steinem and educating people about feminism, childcare, and race. Pitman Hughes's community activism was transformed when she moved to Harlem in the 1970s to counter gentrification. She bought the franchise to the Miss Greater New York City pageant in order to demonstrate that black was beautiful. She also opened an office supply store and became a powerful voice for Black women entrepreneurs and Black-owned business only to be thwarted by plans for economic development that favored national chains over local businesses. Throughout every phase of her life, Pitman Hughes' understood the transformative power of activism with the Black community.

Four delicious cupcakes have just come out of the oven – and it's up to you to decorate them! You'll find 83 reusable stickers of candles, colorful sprinkles, chocolate drops, and more tasty treats.

The highly anticipated complement to the New York Times bestselling Momofuku cookbook, Momofuku Milk Bar reveals the recipes for the innovative, addictive cookies, pies, cakes, ice creams, and more from the wildly popular Milk Bar bakery. Momofuku Milk Bar shares the recipes for Christina Tosi’s fantastic desserts—the now-legendary riffs on childhood flavors and down-home classics (all essentially derived from ten mother recipes)—along with the compelling narrative of the unlikely beginnings of this quirky bakery’s success. It all started one day when Momofuku founder David Chang asked Christina to make a dessert for dinner that night. Just like that, the pastry program at Momofuku began. Christina’s playful desserts, including the compost cookie, a chunky chocolate-chip cookie studded with crunchy salty pretzels and coffee grounds; the crack pie, a sugary-buttery confection as craveable as the name implies; the cereal milk ice cream, made from everyone’s favorite part of a nutritious breakfast—the milk at the bottom of a bowl of cereal; and the easy layer cakes that forgo fancy frosting in favor of unfinished edges that hint at the yumminess inside helped the restaurants earn praise from the New York Times and the Michelin Guide and led to the opening of Milk Bar, which now draws fans from around the country and the world. With all the recipes for the bakery’s most beloved desserts—along with ones for savory baked goods that take a page from Chang’s Asian-flavored cuisine, such as Kimchi Croissants with Blue Cheese—and 100 color photographs, Momofuku Milk Bar makes baking irresistible off-beat treats at home both foolproof and fun.
