" A toast is a basic form of human expression that can be used to convey virtually any emotion, from love to rage (although raging toasts tend to cross the line into the realm of curses). They can be sentimental, cynical, lyrical, comical, defiant, long, short — even just a single word. " — Paul Dickson, Toasts

~~How to Give a Toast (And Examples for Various Occasions ...~~

A toast is a ritual in which a drink is taken as an expression of honor or goodwill.The term may be applied to the person or thing so honored, the drink taken, or the verbal expression accompanying the drink. Thus, a person could be "the toast of the evening" also known as a Toastmaster, for whom someone "proposes a toast" to congratulate and for whom a third person "toasts" in agreement.
