[**Academically Adrift: Limited Learning on College Campuses**... While in the long term this country 's global competitiveness is likely weakened by a white-collar workforce that is not uniformly trained at a rigorous level, colleges where limited academic learning occurs in the short term can still fulfill their primary social functions: students are allocated to occupational positions based on their credentials, not their skills; students are provided settings where they can experiment with new forms of social behavior and develop independent ...

**Excerpt from Academically Adrift: Limited Learning on**... Academically Adrift: Limited Learning on College Campuses. Richard Arum and Josipa Roksa. Chicago, IL: University of Chicago Press, 2011. 272 pp. ISBN-13: 978-0-2260-2856-9. Paperback, \$25.00 To say that Academically Adrift is the "must read" for every assessment professional for 2011 is an understatement.

**Academically Adrift: Limited Learning on College Campuses**... Academically Adrift is not, however, a book about lazy professors, shiftless students, and spineless administrators. Rather, it is a book about how an institution that has been admittedly compromised by vocationalization, credentialism, and careerism can redefine and reclaim a set of goals focused on student learning.
