Learn the keys to successful medical coding with Green's best-selling 3-2-1 CODE IT!, 2020 EDITION. Updated every year, this complete, easy-to-use medical coding guide is written specifically for beginning coders. You find the latest updates for ICD-10-CM, ICD-10-PCS and CPT as well as HCPCS Level II coding sets, conventions, and guidelines. Focused examples, understandable language, and clearly defined terms help you master concepts, while extensive exercises and coding cases let you apply skills and prepare to earn professional coding credentials. This well-organized, intuitive approach begins with diagnosis coding before progressing to more in-depth instruction on coding procedures and services. Clear coverage introduces both ICD-10 code sets with separate, thorough chapters on inpatient and outpatient coding and separate coverage of general and specific guidelines. HCPCS level II and CPT coding are also covered in separate chapters to further ensure the coding skills you need for career success. ESPACIOS is a 2-semester intermediate Spanish program developed to accommodate the diverse needs of today's language learners and educators. ESPACIOS supports the many reasons students take Spanish by presenting grammar, vocabulary, and opportunities for communication within the exploration of a variety of different spaces: personal and public; historic and contemporary; cultural and social. The breadth of themes, countries, and content mediums exposes students to a more informed perspective to each given topic. Through this exploration, students expand on what they know about the Spanish-speaking world in a reflective and informed way. End-of-chapter culminating projects reinforce the mechanics of the language while providing students with a culturally engaging framework in which they connect the language and their daily life interests.
