She writes so that you feel like you're actually in front of her, having a conversation. I met Cathy shortly after reading her book for the first time and can testify, there is nothing fake about her! She represents everything she teaches and thus practices what she preaches. In her book she talks about loving actors who are genuinely great people inside. She is this, in the form of a casting director and educator." After the success of my first book MODELING AS YOUR JOB, a step- by- step guide on how you can become a working model. It seems only natural for the series of AS YOUR JOB, to follow with ACTING AS YOUR JOB and here is the reason why. It is a natural transition to go from a career in modeling to a career in Acting. After five years of research and interviews I wrote this book ACTING AS YOUR JOB a step-by-step guide on how you can become a working Actor. In this book I am going to take you step-by-step and show you exactly what you need to do, to become a successful Actor. ****WARNING**** This book is NOT for "Hobby" actors or "wanna-bes" It's for PROFESSIONALS ONLY, and is priced accordingly. THERE ARE TWO KINDS OF ACTORS: Those who bring the check to the table, and Those Who GET THE CHECK In The Mail... Which do YOU Want To Be? Dear Fellow Talented Actor, You don't realize this now, but in the next few minutes you're going to re-think everything our teachers taught us about "The Acting Thing"... If

you're anything like me, you got out of school ready to be a successful actor, and use your talents performing for eager audiences on TV, Film, or in the Theater. Do you remember what it felt like to dream about your life and what "being an actor" meant to you? I remember, and I thought I was ready. And Then... REAL "ACTOR LIFE" HIT! Everyone says that the Acting Business is tough, and that your chances of making a full-time income are slim because in real life, you need to be to make money while you build your dream career. And that's why... 95% of Actors Quit The Business Before They Turn 30 Years Old. Because unless mommy and daddy are paying the bills, you'll get a job, and by the time you're done working, you're too tired to focus on your career. That's where I was: broke, frustrated, and doing shows for my friends and family. The SAME friends and family. Sound familiar? When did our teachers tell us that we would be doing all these things that have NOTHING to do with acting? Waiting tables, Temping at an office Living with 5 roommates just to pay bills Begging your parents for money Never getting auditions because you're too busy working! We were taught that if we just continued to hone our craft and get "good", then we would "be discovered" by someone right? But guess what- that's not true! In the real world, you need to support yourself while you hone your craft, and learn how to live as an actor- to be an actor. And most people never make it.

If you're like I was, you're dreaming about sharing your gift, and getting the accolades you deserve. You're working with some amazingly creative people, and doing work that inspires, fulfills, and entertains you and others. But isn't This What Our Teachers Taught Us? "Take classes, get BACKSTAGE every week, and get a job waiting tables or bartending. If that doesn't work in a short while, get more schooling, meet the right people, and maybe that'll work. If not- teach acting!" Don't get me wrong, the teachers that have taught us how to ACT are great- They Taught Us "How To ACT", But Not How To BE A SUCCESSFUL ACTOR And there's a big difference. My friends who were far more talented than me, and had degrees from acting schools were starting to quit. They were getting older, and they started saying things like "I just can't stand being broke anymore" I had a desk job myself, and I was about to throw in the towel too. I Was Broke, Frustrated, and Going Nowhere In My Acting Career... This book describes how I went from Failure to Full-Time Actor, and how YOU can do it too! After I did what I describe in this book: I STARTED MEETING AGENTS, GOING ON AUDITIONS, and BOOKING ACTING WORK! And my family started seeing me on TV... My mom actually started telling people that I was an actor, (instead of being embarrassed) and proudly asking "Have you seen my child on TV?" And my neighbors saw me on TV... And they would stop me in the street "Hey! I saw

you, and I told everyone that I knew you!" You see, once I got free of spending most of my time trying to make money to live on, I could do what I ACTUALLY wanted to do: I get to PERFORM all the time, and not worry about the money! Nobody asks "Are you still TRYING to be an actor?" when you're making money! So Now I've Put Everything I Learned Into A Quick, Easy, Book For Talented Actors Who Want To Quit Their Day Jobs and Go Full Time Too! "No More Waiters- How To Build Your Acting Business WITHOUT A Day Job!"

How acting a little crazy and thinking outside of the box can get you the job you want Ever hear of a job candidate stretching out on the interviewer's floor to fill out an application? Stanislavski's 'system' has dominated actor-training in the West since his writings were first translated into English in the 1920s and 30s. His systematic attempt to outline a psycho-physical technique for acting single-handedly revolutionized standards of acting in the theatre. Until now, readers and students have had to contend with inaccurate, misleading and difficult-to-read English-language versions. Some of the mistranslations have resulted in profound distortions in the way his system has been interpreted and taught. At last, Jean Benedetti has succeeded in translating Stanislavski's huge manual into a lively, fascinating and accurate text in English. He has remained faithful to the author's original intentions, putting the two books previously known as *An Actor Prepares* and *Building A Character* back together into one volume, and in a colloquial and readable
