These alternative comics were not the scatological satires of the 1960s underground, nor were they brightly colored newspaper strips or superhero comic books. In *Alternative Comics: An Emerging Literature*, Charles Hatfield establishes the parameters of alternative comics by closely examining long-form comics, in particular the graphic novel. He argues that these are fundamentally a literary form and offers an extensive critical study of them both as a literary genre and as a cultural phenomenon.

Hatfield makes a great case for the quality of form to be found in comics, but this book reminds me of early film theorists who argued that film was literature. We now accept that film is its own art form, and hopefu Hatfield's book is an intelligent and broad study of alternative comics, but it suffers from a central flaw: he thinks comics are literature.
