Animal Liberation: A New Ethics for Our Treatment of Animals is a 1975 book by Australian philosopher Peter Singer. It is widely considered within the animal liberation movement to be the founding philosophical statement of its ideas. Singer himself rejected the use of the theoretical framework of rights when it comes to human and nonhuman animals. Following Jeremy Bentham, Singer argued that the interests of animals should be considered because of their ability to experience suffering and that

Animal Liberation: Amazon.co.uk: Singer, Peter ...

In this revised edition Professor Singer addresses three crucial developments in the battle for all animal welfare: he discusses the evolution of the animal rights movement, including its violent aspects; he responds to the argument and discussion provoked by positions he took in the first edition and updates his account of what is now being done to animals in the laboratory and on the farm.

Animal Liberation: Amazon.co.uk: Singer, Peter ...

In this immensely powerful and influential book (now with a new introduction by Sapiens author Yuval Noah Harari), the renowned moral philosopher Peter Singer addresses this simple question with trenchant, dispassionate reasoning. Accompanied by the disturbing evidence of factory farms and laboratories, his answers triggered the birth of the animal rights movement.

Animal Liberation - Peter Singer - Google Books

In 1994 Peter Singer was a candidate for the Australian Greens at a by-election for the House of Representatives, and gained 29% of the vote, an Australian record for the Greens. Peter Singer first became well known internationally after the publication of Animal Liberation.

Animal Liberation: Amazon.co.uk: Singer, Peter ...

Peter Singer 's main argument in Animal Liberation is that humans ' current perception and treatment of animals is morally indefensible. He defends this view from multiple angles, and concludes that animals deserve " equal consideration " (which differs considerably from equal treatment) based solely on the fact that they can feel pain, and causing unnecessary pain is immoral.

Animal Liberation by Peter Singer - Goodreads

In Animal Liberation, author Peter Singer exposes the chilling realities of today's factory farms and product-testing procedures--destroying the spurious justifications behind them, and offering alternatives to what has become a profound environmental and social as well as moral issue.
