Description. Not a textbook in the ordinary sense, this work offers a vision of how anthropology - a discipline that operates through intimate knowledge of local societies - can offer vastly increased understanding of society and culture even in this age of mass communication. In its examination of topics ranging as far afield as the mass media, environmental and development issues, kinship and suffering in transnational settings, the politics of both the nation-state and the local community

John Bodley has been quoted saying that anthropology is a subversive science. So where do anthropologists draw the line between cultural relativism and intervention? Cultural relativism is the idea that traits can only be understood within their cultural context. If we consider cultural relativism on a spectrum, then one extreme holds that all traits good within their cultural context...as stated by Conrad Kottak in Mirror for Humanity...Nazi Germany would be evaluated as nonjudgmentally as ...
