Focused on building linguistic skills and comprehension through creative introductions to contemporary life and cultures in German-speaking countries, WIE GEHT'S? Ninth Edition is the clear choice to prepare your students to communicate in German in your classroom and beyond! Now in its Ninth Edition, WIE GEHT'S? remains to be one of the most popular introductory German programs in the country. Both authors are native Germans and not only expose students to the German language, but encourage cultural awareness and the acquisition of a functional vocabulary that effectively prepares them to continue their study of German. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This combined workbook and laboratory manual contains both acquisition activities and practice exercises for use outside the classroom. The Answer Key at the end of the workbook/lab manual (Arbeitsbuch) allows students to correct many of the activities themselves. The workbook/lab manual (Arbeitsbuch) activities and the related audio recordings are also accessible in Connect German, which also features an audio/video chat tool.
