It is never seen again. He is satisfied with helping Asterix eat just one boar between them. Obelix is only a peripheral character in the first album, and doesn't truly become Asterix' sidekick until the next album. Asterix and other villagers appear to be using the potion constantly, yet seeing the potion being made is viewed as an event.

Following a suggestion by Georges Pompidou, who was then Prime Minister of France, Asterix goes off in this album to explore Switzerland. In the meantime, the man who had suggested the destination to René had become President. Once the authors had become institutions, they did not, however, lose their talent.
