For bilingual titles, we test bilingual skills with a Bilingual Communicative Ability Test (BICAT). You must pass the BICAT, in addition to passing the base test for the title, in order to be appointed to a bilingual title. There are three levels of foreign language proficiency used by the Civil Service Commission: Basic (Level 1), Intermediate (Level 2), and Advanced (Level 3). The passing ...

This practical reference remains the most comprehensive guide to the fundamental theories, techniques, and strategies used for battery operation and design. It includes new and revised chapters focusing on the safety, performance, quality, and enhancement of various batteries and battery systems. From automotive, electrochemical, and high-energy applications to system implementation, selection, and standardization, the Second Edition presents expert discussions on electrochemical energy storage, the advantages of battery-powered traction, the disposal and recycling of used batteries, hazard prevention, and the chemistry and physics of lithium primary batteries.

This book titled "Functional Genomics" contains a selection of chapters focused on crucial topics in functional genomics, from the analysis of the genetic code, to the understanding of the role of the different genes and to the proteomic implications. The book provides an overview on basic issues and some of the recent developments in medicinal science and technology. Covering all the aspects involved in such a broad theme as functional genomics and in all its applications would be impossible within the same book. The different chapters represent a brief introduction to the topic, connecting the most promising developments in functional genomics technologies, focusing on specific applications in biomedicine, agro-food technologies and zootechniques.

"Julio Segura and Carlos Rodriguez Braun have assembled a unique Dictionary that will be an invaluable and much welcomed reference book for economic journalists, economists and economic scholars at all levels of academe, and in all areas of economics and its associated fields."--BOOK JACKET.
