Note that these questions are user's Evolution questions, they are not the main content of the site that presents the entire Biology by logical sequences of original questions and answers.

## Evolution Questions - Biology Q&As

The theory was proposed by the French naturalist Lamarck at the beginning of the 19th century. At that time, the idea was not so absurd since nobody knew how the transmission of hereditary characteristics occurred. (Lamarck was a brave man to introduce an evolutionary theory based on natural law at a time dominated by fixism.)
