The Maggie O'Dell Series

Extremely well plotted with very tightly woven and intricate narratives, these books take their readers into the mind of Maggie O'Dell and who she's investigating. Whilst this may be well worn territory for many, in the hands of Alex Kava it's something entirely different, as she takes it somewhere else.

O'Dell series, from New York Times bestselling author Alex Kava. On the busiest shopping day of the year, a group of idealistic college students believe they're about to carry out an elaborate media stunt at the largest mall in America. They think the equipment in their backpacks will disrupt stores' computer systems, causing delays and chaos, disrupting capitalism, if only for a moment. What they don't realize is that instead of jamming devices, their backpacks contain explosives. And they're about to become unwitting suicide bombers. FBI profiler Maggie O'Dell must put her own political troubles aside to work with Nick Morrelli and figure out who's behind this terrorist

plot—a massacre that's all the more frightening when a tip reveals that Maggie's brother is one of the doomed protestors. Originally published in 2009

In this thrilling installment of the New York Times bestselling series, Special Agent Maggie O'Dell investigates the death of three teenagers, only to find herself in the middle of a conspiracy involving biological warfare. On a crisp fall evening in western Nebraska, two teenagers are seemingly electrocuted when their drug-fueled party turns into an explosive light show. While Maggie O'Dell tries to make sense of the witnesses' stories, sifting through what is real and what is hallucination, her friend, Colonel

floating offshore. Special Agent Maggie O'Dell is sent to investigate, despite the fact that she is putting herself in the projected path of the hurricane. She's able to trace the torso in the cooler back to a man who mysteriously disappeared weeks earlier after a hurricane hit the Atlantic coast of Florida. How did his body end up six hundred miles away in the Gulf of Mexico? Using her signature keen instincts and fearless investigating, O'Dell discovers Florida's seedy underworld and the shady characters who inhabit it. Damaged is Alex Kava's most terrifying thriller yet.

When a latest arson fire in Washington, D.C. results in a

casualty, special agent Maggie O'Dell disregards profiler theories to pursue her own suspicions and is targeted by a reporter who digs up aspects of Maggie's private life.

Return to the world of criminal profiler Maggie O'Dell, in book 3 of the thrilling series by bestselling author Alex Kava. In a secluded cabin six young men stage a deadly standoff with FBI agents. In a wooded area near the FDR Memorial in Washington, the body of a senator's daughter is discovered. For FBI Special Agent Maggie O'Dell, there is nothing routine about being called in to work these two cases. As an expert criminal profiler, Maggie provides psychological insight on

cases that involve suspected serial killers. She can't understand, then, why she has been assigned to two seemingly unrelated crimes. But as Maggie and her partner, Special Agent R. J. Tully, delve deeper into the cases, they discover there is a connection: Reverend Joseph Everett, the charismatic leader of a high-profile religious sect. The men holed up in the cabin were members of Everett's church, and the murder of the young woman took place following one of Everett's rallies. Is Everett a psychotic madman who uses his power to perform heinous crimes? Or is he merely the scapegoat for a killer more cunning than he? Maggie realizes the only way to find out is by using her own

Revisit the dark and twisted world of profiler Maggie O'Dell, in book four of the acclaimed series by Alex Kava. FBI Special Agent Maggie O'Dell is just starting a vacation when she gets a call from her friend, psychologist Dr. Gwen Patterson. One of Gwen's patients is missing on a trip to Connecticut. Can Maggie look into Joan Begley's disappearance? At first Maggie dismisses Gwen's concern. But when the body of a woman is discovered in an abandoned rock quarry in Connecticut, Maggie heads to the small town on "unofficial" business. Soon the shocking news

virus—virtually undetectable until it causes death from a million internal cuts. The victims appear random, but Maggie wonders if vengeance isn't the guiding hand. An aficionado of contemporary killers, using bits and pieces from their crimes—the Beltway Sniper's phrases, the Unabomber's clues, the Anthrax Killer's delivery. Maggie knows dangerous minds, but she must tackle this new opponent from within a biosafety isolation ward—while waiting to see if death is already multiplying inside her body. She just fears her last case might end with the most intelligent killer she's ever faced escalating from murder...to epidemic. Originally published in 2008

The brutal murders of three young boys paralyze the citizens of Platte City, Nebraska. What's worse is the grim realization that the man recently executed for the crimes was a copycat. When Sheriff Nick Morrelli is called to the scene of another grisly murder, it becomes clear that the real predator is still at large, waiting to kill again. Morrelli understands the urgency of the case terrorizing his community, but it's the experienced eye of FBI criminal profiler Maggie O'Dell that pinpoints the true nature of the evil behind the killings—a revelation made all the more horrific when Morrelli's own nephew goes missing. Maggie understands something else: the

killer is enjoying himself, relishing his ability to stay one step ahead of her, making this case more personal by the hour. Because out there, watching, is a killer with a heart of pure and perfect evil.

A Wall Street crash like never before... A shocking explosion at the Wall Street stock exchange injures hundreds of people and brings devastation to one of the world's major trading centres. A terrorist organisation claims responsibility for planting the bomb, but their motive is unclear. As federal agent Archer Carroll and trading enforcement director Caitlin Dillon investigate the attack, all the intelligence points to one thing. The terrorists don't simply want to bring chaos to

lead—one that leaves her stunned. For the past four years she has been obsessed with finding Father Michael Keller, whose brutal acts against children continue to haunt her. Now, it seems, he has become a target. When Keller offers to help Maggie solve the ritual killings in exchange for protection, she decides to ally herself with the elusive child killer, stepping into a world of malevolence from which she may not return unscathed. Maggie knows the bargain is a necessary evil...one that may be made in blood... Originally published in 2006
