Three of Marianne Williamson's previous bestsellers -- A Return to Love, A Woman's Worth, and Illuminata -- explored the issue of relationships. Now, in this deeply personal collection of essays, prayers, and self-reflection, she turns to romantic love. In Illuminata, Williamson wrote that "we experience God to the extent to which we love, forgive, and focus on the good in others and ourselves." Now, in Enchanted Love, she writes that "enchanted partnership begins with the conscious understanding, on the part of two people, that the purpose of their relationship is not so much material as spiritual, and the internal skills demanded by it are prodigious." High romance, she says, "is not about past or future. It is not about practicality. It is not about society or worldly routines. It is an audacious ride to the center of what is, at the heart of every person. It is a bold and masterful inquiry into what two people really are and how we might become, while still on earth, the angels who reside within us."

Dice Jes\u00fas: Si me am\u00e1is, guardar\u00e9is mis mandamientos . Pero... \u00bfqu\u00e9 mandamientos son esos? La mayor\u00eda de los cristianos responder\u00eda que los famosos Diez Mandamientos. Sin embargo, estos los dio Mois\u00e9s al pueblo de Israel muchos cientos de a\u00f1os antes de Cristo. Es cierto que proceden del mismo Dios; pero Jes\u00fas habla de mis mandamientos. \u00bfSon acaso diferentes de aquellos? Unas palabras de Jes\u00fas lo resumen: n\u00f3 pens\u00e9is que he venido a abolir la Ley o los Profetas; no he venido a abolirlos sino a darles su plenitud. Este libro ahonda precisamente en esa plenitud y anima al lector a no conformarse con m\u00ednimos, a seguir de cerca a Cristo, meditando y viviendo sus ense\u00f1anzas.

"Plenitud" y "amor". Dos palabras que, a modo de pinceladas, quieren indicar el sentido y el contenido de estas p\u00e1ginas. \u00bfQui\u00e9n no desea el amor? \u00bfQui\u00e9n no anhela la plenitud? Y si esas dos realidades se juntan, habremos hallado el elixir de la felicidad. Un amor eterno, una plenitud de amor. Precisamente en eso consiste la santidad. La santidad cristiana no puede ser un concepto, una idea o una meta. Por fuerza tiene que encarnarse en un Amor personal y misericordioso, que es Dios. La plenitud del amor nos presenta la santidad como una relaci\u00f3n \u00edntima y personal de amor con Dios, como una experiencia viva, y no algo abstracto y conceptual. La santidad es amistad: alguien que me ama apasionadamente y a quien yo amo y busco corresponder. Al contemplar el retablo de santos y santas de todo tiempo y lugar, el lector sentir\u00e1 el aguij\u00f3n y el reclamo a ser tambi\u00e9n uno de ellos, y a empe\u00f1arse con perseverancia y determinaci\u00f3n contra todos los obst\u00e1culos que se oponen en el camino hacia esta santidad, a la que Dios nos invita.
