Kelly Elliott is becoming a must-read author for me. She wrote a really good romance for two deserving characters. Broken Dreams is the second in this series and it was an absolute delight to finish a well written, emotionally driven story. Reed Moore and Courtney Will both had a past to overcome, filled with hurt and abuse.

The first book, Broken, was a fairly good read. I will admit I probably wouldn't have read another Kelly Elliott book after Broken (I wasn't all that taken with the writing) but I completely fell in love with the quirky best friend in Broken, Courtney. I was beyond excited to get to Courtney's story.
