Online Library Business Maths Premier Guide

Explains essential business math and how to create equations and spreadsheets in Microsoft® Excel to compute that math. More than a guide to using Excel, written by a professor that

Online Library Business Maths Premier Guide

teaches the course Business Math with Spreadsheets, this well-rounded coverage includes screenshots, Excel equations and an explanation of the math. Great for students or anyone needing a handy guide for reference.

Online Library Business Maths Premier Guide

One of the most perplexing aspects of research today is what to do when there's too much information on a topic. The key, says Leslie Stebbins, is to know how to find the most promising

Online Library Business Maths Premier Guide

information, evaluate it,
and use it effectively.
Individual chapters provide
a step-by-step introduction
to research and critical
evaluation and specific
types of information
resources, as well as

Online Library Business Maths Premier Guide

guidance on such skills as note-taking and referencing. Students and librarians alike will benefit from these suggestions, strategies and straightforward examples for developing good filtering

Online Library Business Maths Premier Guide

instincts and management of
search results.
