Macroeconomics: Policy & Practice, Student Value Edition ...

Author Frederic Mishkin believes that the best way to teach macroeconomics is by continually exposing students to cases and applications so they really understand the underlying theory. As such, this text emphasizes policy and practice in macroeconomics by discussing the most exciting, current, major policy debates in the macroeconomics field. In particular, in-chapter applications and Policy and Practice cases provide important perspectives on current events, domestic and global issues, and ...
