Centre Map - Chadstone

Chadstone Shopping Centre is the biggest shopping centre in Australia and claims to be the biggest in the Southern Hemisphere. The centre opened on 3 October 1960 and was the first self-contained regional shopping centre in Melbourne. The centre contains 129,924m² of shop floor space, about 530 stores and more than 9300 free car parking spaces.

Chadstone Shopping Centre - Wikipedia

The co-owners of Chadstone Shopping Centre received approval from Council for the new developments. These proposals include: Priority expansion of car parks A, C and D, bringing an additional ~ 1,420 new car spaces across two of our parking precincts (these form two separate applications and provide the necessary parking for a number of new uses contemplated in the other applications)

This book charts the history of Australian retail developments as well as examining the social and cultural dimensions of shopping in Australia. In the second half of the twentieth century, the shopping centre spread from America around the world. Australia was a very early adopter, and produced a unique shopping centre model. Situating Australian retail developments within a broader international and historical context, *Managing the Marketplace* demonstrates the ways that local conditions shape global retail forms. Knowledge transfer from Europe and America to Australia was a consistent feature of the Australian retail industry across the twentieth century. By critically examining the strengths and weaknesses of Australian retail firms' strategies across time, and drawing on the voices of both business
