Elliott ' s Spiritwalker trilogy. Some of the things that annoyed me about the first book were less evident in this book. On the other hand, the story didn ' t hold my interest quite as well. There were times when I was glued to the Kindle, but there were also many times when I was restless and kept putting it down to do other things.

Okay, Cold Steel starts off with Cat still in the new world, surrounded by fire mages, and then drops her back in Europa just as abruptly as Cold Fire ripped her away from it. Again, this felt jarring, and stalled my reading of the book a bit. However, once back in Europa, it feels like things start to pick up where Cold Magic left off, and
