2020 Edition Our CLEP study guides are different! The College Algebra CLEP study guide TEACHES you what you need to know to pass the CLEP test. This study guide is more than just pages of sample test questions. Our easy to understand study guide will TEACH you the information. We've condensed what you need to know into a manageable book - one that will leave you completely prepared to tackle the test. This study guide includes sample test questions that will test your knowledge AND teach you new material. Your College Algebra CLEP study guide also includes flashcards that are bound into the back of the book. Use these to memorize key concepts and terms. Anyone can take and pass a CLEP test. What are you waiting for? ****Testimonial**** Thank you so much for your College Algebra CLEP book. It cut out the nonsense I've seen in some of the other books and showed me what I needed to know. I purchased it several months ago, lost it, and actually bought another one because I liked the format so much. Thanks to you, I'm graduating on time with my Bachelors degree. The woman in the Records office at my college looked at me and said, "Do you know how many of the students would kill to do what you just did?" I'd recommend your book to anyone who has a good understanding of the material who doesn't want to waste their time in a semester class. -Bryanna G.
