Home - Consulting Case Interviews - The #1 Resource for ...
During a case interview, you use consulting frameworks to break down the problem into smaller pieces through an issue tree and test each branch to see if the root-cause is in there. If a branch indeed contains the root-cause, you break it down further. Rinse and repeat until the root-cause is identified.

10 Consulting Frameworks to Learn for Case Interview ...
Case interviews at McKinsey always test problem structuring and math skills, creativity and business sense skills, and communication skills. First, you will get a problem-solving test where, among other things, you need to show your math skills. During the case interview,

File Type PDF Consulting Case Interviews The Mckinsey Pei Toolkit

they will continue to test your math skills.

Cheng, a former McKinsey management consultant, reveals his proven, insider's method for acing the case interview.

In *Case Interview Secrets*, you'll discover step-by-step instructions on how to dominate what many consider to be the most complex, most difficult, and most intimidating corporate job interview in the world--the infamous case interview. Victor Cheng, a former McKinsey management consultant, reveals his proven, insider's method for acing the case interview. Having personally secured job offers from McKinsey, Bain & Company, Monitor, L.E.K., Oliver Wyman, and A.T. Kearney, he has also been a McKinsey case interviewer--providing you with a hands-on, real-world perspective on what it really takes to land job offers. Cheng's protégées work in all the major strategy management consulting firms, including McKinsey, The Boston Consulting Group, Bain & Company, Monitor Company, A.T. Kearny, Oliver Wyman, L.E.K., Roland Berger, Accenture, and Deloitte, as well as in the strategic planning departments of numerous Fortune 500 companies. Whether you're an undergraduate, BA, PhD, or experienced-hire

File Type PDF Consulting Case Interviews The Mckinsey Pei Toolkit

applicant candidate, you'll discover: what case interviewers really say about you behind closed doors but wouldn't dare tell you--until now; the subtle yet specific performance differences that separate those who get management consulting offers from those who don't; the 10 biggest mistakes candidates make in case interviews (and how to avoid them); the 3 specific things interviewers expect in the first 5 minutes of a case that often decide the outcome on the spot; and an insider's take on what interviewers really look for and why--and how to give them what they want.

To land a management consulting job at any of the top firms, including McKinsey, Bain, BCG, Deloitte, Oliver Wyman, and Accenture, you must get through several rounds of case interviews. Whether your interview is in a few weeks or even tomorrow, this book is written to get you the maximum amount of knowledge in the least amount of time. Think of this book as taking the express lane towards beginning to master consulting case interviews. I cut out all of the filler material that some other consulting books have, and tell you everything that you need to know in a clear and direct way. With this shortcut guide, you will: Understand and become proficient at the nine different parts of a case interview, and know exactly what to say and do in each step Learn the only framework strategy that you need to memorize to craft

File Type PDF Consulting Case Interviews The Mckinsey Pei Toolkit

unique and tailored frameworks for every possible case scenario Gain knowledge of basic business terms and principles so that you can develop an astute business intuition Acquire the skills to solve any market sizing or other quantitative problem Uncover how to differentiate yourself from the thousands of other candidates who are fighting to get the same job you are Practice your case interview skills with included practice cases and sample answers

Top consulting firms like McKinsey, BCG, and Bain only hire about 1% of their job applicants. Becoming a management consultant is difficult, but it is possible if you use a proven approach at each stage of the process. Cracking Case Interviews is a comprehensive "one-stop shop" for landing a job in consulting. This book will help you: Write the perfect consulting resume and cover letter that gets multiple interview invitations from top consultancies Learn the 7 different parts of a case interview and exactly what you need to do in each step Master maths tips and tricks to solve market sizing and other case interview questions quickly and accurately Discover the most commonly used frameworks in consulting and how you can use them for inspiration, without over-relying on them Practice with 5 full-length sample cases that are based on McKinsey, BCG, and Bain case interviews Prepare answers to behavioural interview questions, like

File Type PDF Consulting Case Interviews The Mckinsey Pei Toolkit

"Why consulting?", "Why McKinsey?", or "Tell me about a time you led a team." Max Serrano and Jonathon Yarde are former consultants and instructors at IGotAnOffer, the #1 website for case interview preparation, which has helped place over 2,000 applicants in consulting careers since 2015. This book translates the countless hours the authors have spent coaching undergraduates, MBAs, PhDs, MDs, JDs, and experienced hires on their consulting applications.

In "The Ultimate Case Interview Workbook," you'll sharpen your case interview skills to dominate your upcoming interview and land your dream consulting job. Taylor Warfield, a former Bain management consultant and interviewer, provides essential practice problems and challenging cases to develop the skills needed to get multiple job offers. Use this workbook to access: 65+ problems tailored towards each type of question in case interviews Feel confident across a range of interview questions including framework questions, market sizing problems, profitability assessments, breakeven analysis, charts & graphs analysis, brainstorming questions, and other qualitative questions 15 full-length cases based on McKinsey, BCG, and Bain interviews Build business acumen across a variety of industries (e.g., technology, retail, healthcare, energy, finance, non-profit) and functions (e.g., strategy, operations) Efficient practice that can be

File Type PDF Consulting Case Interviews The Mckinsey Pei Toolkit

done individually or with a partner Save yourself time by working through carefully crafted practice problems and cases that teach you a new concept, strategy, or takeaway each time Warfield's former students include undergraduates, MBAs, advanced degree holders, and experienced hires. They have landed job offers at top consulting firms, including McKinsey, BCG, Bain, Deloitte, L.E.K., Oliver Wyman, and Accenture as well as at Fortune 500 strategy groups. "I felt really confident after my McKinsey interview - this book's cases prepared me perfectly! They were very similar to the ones I received in my first and final round interviews." -McKinsey Consultant, Wharton MBA Candidate "I had very little time before my next BCG interview. This book provided me with plenty of practice that I could do by myself. After working through these cases, I felt excited going into my interviews." -BCG Associate, Experienced Hire "These cases were much higher quality than those found in other case books. The explanations were detailed and thorough and I got to practice thinking like a true consultant." -Bain Consultant, Stanford Undergraduate Also visit HackingTheCaseInterview.com for a one-week online crash course to pass your upcoming interview.

You often hear in discussions about case interviews that you should not use standard business frameworks and concepts at all, because they

File Type PDF Consulting Case Interviews The Mckinsey Pei Toolkit

just don't fit to the specific case question and interviewers don't like it when candidates use standard frameworks to solve cases. However, when challenging this shallow, generalized and popularized statements, there aren't any of those arguments remaining on the table. It is most definitely true that you can't crack a realistic interview case by relying solely on standardized frameworks - but all those business frameworks and concepts are extremely helpful templates which you can and even should put into your toolbox and use them whenever appropriate (if not to the full extent, at least partly!). Such a standard business framework is just a tool - and the tool itself is rarely good or bad, it mainly depends on how and for which purpose you use it. With this book, you achieve all of the following:

- Get a profound overview of the most important business concepts and frameworks needed in consulting case interviews.
- Really understand those business concepts and frameworks, instead of possessing only knowledge of dangerous half-truths.
- Impress your interviewer on how structured and therefore client-friendly you tackle tough case interview questions.
- Quickly learn how to actually apply those frameworks to concrete business situations, instead of just having a shallow theoretic knowledge of them.
- Be more MECE (mutually exclusive, collectively exhaustive) in setting up your overall case structure at the beginning of your case interview.
- Better structure

File Type PDF Consulting Case Interviews The Mckinsey Pei Toolkit

your answers to particular questions later on in your case interview, again being more MECE. - Save tons of time by having high-quality content from 10+ years of consulting and interview experience together in one single book. - Significantly reduce the risk of losing a tier-1 consulting firm job offer because you were not structured enough in your interview (and we all know how important it is to be ABS - Always Be Structured).

The Wall Street Journal calls Case in Point the MBA Bible! Cosentino demystifies the consulting case interview. He takes you inside a typical interview by exploring the various types of case questions and he shares with you the acclaimed Ivy Case System which will give you the confidence to answer even the most sophisticated cases.

The Case Interview Workbook contains 60 case questions for management consulting interviews, with complete solutions. Every case is compiled and edited by a team of ex-consultants from McKinsey & Company, the Boston Consulting Group, and Bain & Company. This book fills the gap left by others by providing you with plenty of high-quality cases to practice on before your interview. Many cases are from actual interviews at the top-tier firms and cannot be found elsewhere. After working through this book, you will be prepared for every type of case

File Type PDF Consulting Case Interviews The Mckinsey Pei Toolkit

question you may encounter: market sizing, estimation, operations, industry analysis, pricing, growth strategy, marketing, investment, M&A, market entry, customer segmentation, profitability, valuation, logic, issue identification, cost analysis, market expansion, and brainteasers, to name a few. These cases will help you prepare for interviews at leading management consulting firms, including McKinsey & Company, The Boston Consulting Group, Bain & Company, Oliver Wyman, Strategy& (formerly Booz & Company), A.T. Kearney, Roland Berger, and L.E.K, as well as for consulting roles at large firms such as Accenture, Deloitte, PwC, EY, and KPMG. Note that is a workbook, designed to complement other preparation books. You will have a hard time solving these cases without learning first elsewhere how to do so, e.g. which frameworks to use, how to use them, and how to structure a solution.

Professional career guide from the Vault Career Library providing detailed case-by-case explanations of the consulting interview and strategies for cracking it.

Game-changing tips and tricks to nail the case interview and launch your consulting career. Management consultants Destin Whitehurst and Erin Robinson give you need-to-know techniques for polishing your
