~~Corporate Communication: A Guide to Theory and Practice~~

The book covers a great number of aspect of corporate communications and is easy to follow. Well-explained stakeholder management approach goes throughout the whole book. Though it is great for understanding of corporate communications on a strategic level, there could be more examples of practical implementation of the postulated principles.

~~Corporate Communications: A Guide to Theory and Practice~~

Corporate communication is a dynamic interplay of complementary and often competing orientations: unity and variety; consistency and creativity. The Theory and Practice of Corporate Communication offers a coherent, integrative approach by examing the topic and tasks from the framework of the Competing Values Perspective. This perspective allows for the exploration of corporate communication as a unified, highly interdependent function.

~~The Theory and Practice of Corporate Communication | SAGE~~

The Theory and Practice of Corporate Communication: A Competing Values Perspective offers an integrative approach to corporate communication. Author Alan T. Belasen covers theoretical aspects and uses practical examples and case applications to illustrate the broader, strategic view of the field of corporate communication.
