Real Estate
foreign banks. In regulating banks, the OCC has the power to:
* examine the banks.
* approve or deny applications for new charters, branches, capital, or other changes in corporate or banking structure.
* take supervisory actions against banks that do not comply with laws and regulations or that otherwise engage in unsafe or unsound practices. The OCC also can remove officers and directors, negotiate agreements to change banking practices, and issue cease-and-desist (C&D) orders as well as civil money penalties (CMP).
* issue rules and regulations, legal interpretations, and

Corporate decisions governing investments, lending, and other activities. Boards of directors play critical roles in the successful operation of banks. The OCC recognizes the challenges facing bank directors. The Director's Book: Role of Directors for National Banks and Federal Savings Associations helps directors fulfill their responsibilities in a prudent manner. This book provides an overview of the OCC, outlines directors' responsibilities as well as management's role, explains basic concepts and standards for safe and sound operation of banks, and delineates

director's role and the board's functions. It is read, consulted and cited by board members, executives, lawyers and academics nationwide. Now available as a new Fifth Edition, the Guidebook completely updates its fourth edition published in 2004. This new Fifth Edition addresses recent effects the Sarbanes-Oxley Act has had in the corporate governance arena and its impact on the legal responsibilities of directors of public companies.
