As the worldwide prayer movement continues to flourish, never before have so many Christians from so many faith traditions joined together to intercede for so long--in their homes, in their churches, in their communities. As the prayer movement continues to explode, leaders emerge to give guidance to the growing number of intercessors . . . and Alice Smith is at their forefront, leading the leaders who have lifted the banner of passionate, effective intercessory prayer for this generation and the next. In Beyond the Veil, Smith proclaims God's call for His people to pray and shares what she has learned on her own journey toward deeper intimacy with God through prayer. Whether readers are new to intercession or are veteran prayer warriors, they will discover sound, biblical methods for binding the enemy and loosing the Holy Spirit in their families, churches, and nations. Each chapter includes questions and prayer exercises, with a corresponding devotional to bring the principles of intercession to life, making Beyond the Veil the essential guidebook for the prayer revival that is sweeping the globe.

Inside the covers of this book you will find the [Real Scriptures](#) of the Christian churches. Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain-washed to believe, that is about the other inferior books: [It isn't in the canon](#) (of scripture) formed of course by the early Catholic Church at various stages and Councils from the fourth century A.D. therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God. They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate, but they are not affected by the changes they made to the canon of Scripture over many centuries. They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world. So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures? Ethiopia it seems got most books of scripture right even with their translation into an ancient language! [The Real Scriptures](#), edited by James Platter above, a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas, California in the United States, but now rejects the reduced 1627 A.D. Version of the KJV Bible, and formally learned the Greek language of the New Testament at Capernwray Missionary Fellowship, Moss Vale, N. S. W. Australia under the Reverend Alan Catchpoole in 1973.

When banished Princess Maia is captured by her father and threatened with execution, it appears that all is lost...until the people rise in rebellion against their king. Suddenly, the cast-aside royal finds herself crowned the first Queen of Comoros. But enemies appear on all sides as her father's conniving supporters assemble a new army against the fledgling ruler. While Maia struggles to keep the peace within her own walls, she rushes to form historical alliances with her neighboring kingdoms against an impending invasion of the ruthless Naestors--led by the cruel Corriveaux--who will destroy anyone Maia loves in order to ruin her kingdom and prevent the mastons from regaining power. Realizing that Muirwood Abbey is once again her only hope for survival, Maia gathers her people there for protection. When she discovers an adversary greater than she's ever known, she must use all the magic, strength, and wisdom gained from her life's trials to prevent the Void that would bring destruction to herself, her true love, and the entire kingdom.

From the moment she was banished by her father, the king, Princess Maia journeyed to seek sanctuary at Muirwood Abbey, the epicenter of magic and good in the land. Now safe for the first time since her cruel abandonment, Maia must foster uneasy friendships with other girls training to be Ciphers: women who learn to read and engrave tomes of ancient power, despite the laws forbidding them to do so. As Maia tries to judge whom to trust, she makes a shocking discovery: her destiny is to open the Apse Veil and release trapped spirits from her world. Then she learns that her father is coming to Muirwood Abbey to celebrate the Whitsunday festival--and Maia's estranged husband, whom she was forced to abandon, will join him. Torn between deadly political machinations and unstoppable spiritual forces, Maia must channel unknown powers within herself to save her friends, the abbey, and the entire kingdom of Muirwood.

In a stand-alone series set in the world of Muirwood, eighteen-year-old Maia is the exiled princess of Comoros and heir to the throne. As a result of her father's ceaseless need for authority, she was left disinherited and forced to live as a servant in her enemy's home. When the king invites chaos into the land by expelling the magical order known as the Dochte Mandar, Maia finds herself on a perilous quest to save her people. To survive, she must use magic she has learned in secret--despite the fact that women are forbidden to control it. Hunted by enemies at every turn, Maia realizes that danger lurks within her, too. Her powers threaten to steal not only her consciousness but also her sense of right and wrong. Can she set herself free and save the realm she loves--even if that realm has forgotten her?

Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty! The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom! Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for From Blood and Ash: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins [Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either.](#) - Brigid Kemmerer, New York Times Bestselling Author of A Curse So Dark and Lonely [Action, adventure, sexiness, and angst! From Blood and Ash has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!](#) - Tijan NYT bestselling author [From Blood and Ash is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read.](#) Kayleigh, K-Books "If you think you are ready for From Blood and Ash, think again. Jennifer L. Armentrout has wovn a new fantasy universe that will leave you reeling. Filled with action, heart wrenching twists and the most delicious romance, this unputdownable novel comes with a warning: keep a fan close by, because the temperatures are about to rise." Elena, The Bibliotheque Blo [In this exciting new novel by Jennifer L. Armentrout, she introduces a fantastical world filled with immense detail, and characters who are poignant and fierce, Jennifer truly has out done herself!](#) [BookBesties](#) [From Blood and Ash is a fantastic fantasy that will hook you immediately from the very first page!
