Benjamin Whitmers *Cry Father* is a powerful and painful look at the destruction that young men on a lower socio-economic rung bring on themselves and others. Loaded with testosterone, anger, and an inability to deal with psychological pain without alcohol, drugs, or violence, they are doomed to repeat the mistakes of their fathers and to pass the heritage on to their sons.

*Cry Father by Benjamin Whitmer - Goodreads*

Benjamin Whitmer is the author of *Cry Father* and *Pike*, which was nominated for the 2013 Grand Prix de Littérature Policière, and coauthor (with Charlie Louvin) of *Satan is Real*, a New York Times ' Critics' Choice book. He was born and raised on back-to-the-land communes and counterculture enclaves ranging from Southern Ohio to Upstate New York.

Father

*Cry Father: Benjamin Whitmer: 9781664438392: Amazon.com: Books*

Cry Father is a stunning book about a broken man whose life turns for the worst. There's no redemption like in *The Lost Get Back Boogie* by James Lee Burke. It's closer to *Joe* by Larry Brown. These fathers got booze and violence as a legacy from their fathers and don't know how to break that mold. *Cry Father* is my second Benjamin Whitmer, after *Pike*. It is published by Gallmeister in an outstanding translation by Jacques Mailhos.

### *Cry father, Benjamin Whitmer*

From the first chapter, Benjamin Whitmer establishes a teetering balance of violence and humanity that sets the mood and expectation for the rest of the novel. CRY FATHER, like Whitmer's freshman novel PIKE, is a brutal examination of man's capability for self-destruction swaddled in the hope of redemption.

delirium and ...

Depuis qu'il a perdu son fils, Patterson Wells parcourt les zones sinistrées de l'Amérique pour en déblayer les décombres. Le reste du temps, il se réfugie dans sa cabane perdue près de Denver. Là, il boit et tente d'oublier le poids des souvenirs ou la bagarre de la veille dans un bar. Mais ses rêves de sérénité vont se volatiliser lorsqu'il fera la rencontre du fils de son meilleur ami, Junior, un dealer avec un penchant certain pour la bagarre. Les deux hommes vont se prendre d'amitié l'un pour l'autre et être peu à peu entraînés dans une spirale de violence.

NOW A MAJOR MOTION PICTURE STARRING NOAH WYLE, JEREMY IRVINE, MINKA KELLY, ADELAIDE CLEMENS, STEVE EARLE, AND HALEY JOEL OSMENT. "ONE OF THE MAJOR WRITERS OF OUR TIME."—THE ATLANTA JOURNAL-CONSTITUTION Travis Shelton is seventeen the summer he wanders into the woods onto private property outside his North Carolina hometown, discovers a grove of marijuana large enough to make him some serious money, and steps into the jaws of a bear trap. After hours of passing in and out of consciousness, Travis is discovered by Carlton Toomey, the wise and vicious farmer who set the trap to protect his plants, and Travis's confrontation with the subtle evils within his rural world has begun. Before long, Travis has moved out of his parents' home to live with Leonard Shuler, a one-time schoolteacher who lost his job and custody of his daughter years ago, when

## Download Ebook Cry Father Benjamin Whitmer

he was framed by a vindictive student. Now Leonard lives with his dogs and his sometime girlfriend in a run-down trailer outside town, deals a few drugs, and studies journals from the Civil War. Travis becomes his student, of sorts, and the fate of these two outsiders becomes increasingly entwined as the community's terrible past and corrupt present bear down on each of them from every direction, leading to a violent reckoning—not only with Toomey, but with the legacy of the Civil War massacre that, even after a century, continues to divide an Appalachian community. Vivid, harrowing yet ultimately hopeful, *The World Made Straight* is Ron Rash's subtlest exploration yet of the painful conflict between the bonds of home and the desire for independence.

In the gothic tradition of Cormac McCarthy and Larry Brown comes a haunting story about men, their fathers, their sons, and the legacy of violence. For Patterson Wells, disaster is the norm. Working alongside dangerous, desperate, itinerant men as a tree clearer in disaster zones, he's still dealing with the loss of his young son. Writing letters to the boy offers some solace. The bottle gives more. Upon a return trip to Colorado, Patterson stops to go fishing with an old acquaintance, only to find him in a meth-induced delirium and keeping a woman tied up in the bathtub. In the ensuing chain of events, which will test not only his future but his past, Patterson tries to do the right thing. Still, in the lives of those he knows, violence and justice have made of each other strange, intoxicating bedfellows. Hailed as “the next great American writer” (Frank Bill, author of *Crimes in Southern Indiana*), Benjamin Whitmer has crafted a literary triumph that is by turns harrowing, darkly comic, and wise.

It's the fall of 1882. Kentucky, the land of dark and bloody ground as the Indians called it, has far from recovered from the Civil War. The small town of Mercy, a rest stop for the emotionally and physically disfigured drifters left over from the war, will soon pay the price of the violence inherent in American culture, and the racism still palpable throughout the hills and hollers of rural Kentucky. The first sign of doom arrives on horseback: three outlaws wanted in Virginia and other parts for robbery and murder. A beautiful, tomboyish white young woman with blue tattoos on her face, markings from her time as a captive of Apaches; a former slave whose days of cowering to polite white society are over, and the most deadly and mysterious, the motley gang's leader, Tompal Banks. But the source of Mercy's impending doom, the rioting and bloodshed that touch the lives of every resident, from the alcoholic Marshal to the haunted Mayor, will come from within the community, incited by the apocalyptic gospel spoken by the syphilitic Reverend Thurman on the Banks of the Ohio to his congregation of repressed sexual deviants and bloodthirsty war veterans. Praise for OUT OF MERCY: "A savage, horrifying and gut-bustingly funny Western, set in an Old West that would have made John Wayne turn and run for his life and featuring a cast of characters so richly imagined I'm afraid they'll turn up in my nightmares. I loved every word of it." —Scott Phillips, New York Times bestselling author of The Ice Harvest "Think Elmore Leonard or Cormac McCarthy—with a dash of Nick Hornby to keep things suitably bent. But make no mistake—Ashley has a strong, savage, uncompromising voice of his own. Out of Mercy is the kind of flat-out, heart-stopping, psycho-emotional thrill ride that just might put this author on the map with the giants. Personally, I can't wait to read more of Jonathan Ashley's work—once I recover from this one." —Jerry Stahl, New York Times bestselling author of Permanent Midnight "Hard, stark and brilliant, Out of Mercy is the best

Western I've read in years." —Benjamin Whitmer, author of *Cry Father* "A dark gem, a bleak tale of survival and revenge in the bloody hills of Kentucky. Vividly written, filled with compelling characters and laced with black humor, this is frontier noir at its best." —James Reasoner, author of *Texas Wind*

Get ready for one of America's great untold stories: the true saga of the Louvin Brothers, a mid-century Southern gothic Cain and Abel and one of the greatest country duos of all time. The *Los Angeles Times* called them "the most influential harmony team in the history of country music," but Emmylou Harris may have hit closer to the heart of the matter, saying "there was something scary and washed in the blood about the sound of the Louvin Brothers." For readers of Johnny Cash's irresistible autobiography and Merle Haggard's *My House of Memories*, no country music library will be complete without this raw and powerful story of the duo that everyone from Dolly Parton to Gram Parsons described as their favorites: the Louvin Brothers.

The year is 1904, and Jack Waters has been expelled from his native New Orleans for the murder of man he caught cheating at cards. Waters escapes to the Caribbean, where he becomes embroiled in a revolution against a brutal dictator...though his reasons for fighting might not be as noble as they first appear.

When it comes to writing weapons, most authors shoot from the hip--and miss. The Writer's Guide to Weapons will help you hit your target every time. Firearms and knives have starring roles in a wide range of genres--crime, thriller, war, mystery, Western, and more. Unfortunately, many depictions of weapons in novels and film are pure fiction. Knowing the difference between a shotshell and a slug, a pistol and a revolver, or a switchblade and a butterfly knife is essential for imbuing your story with authenticity--and gaining popularity with discerning readers. Inside you'll find: - An in-depth look at the basics of firearms and knives: how they work, why they work, what they look like, and how to depict them accurately in your stories. - The biggest weapons myths in fiction, TV, and film. - A surefire guide for choosing the correct weapon for your characters, no matter their skill level, strength, or background. - A review of major gun and knife laws, weapons safety tips, and common police tactics. - "The Hit List," showcasing the most popular weapons for spies, detectives, gunslingers, gangsters, military characters, and more. - Examples highlighting inaccurate vs. accurate weapons depictions. - An insightful foreword by David Morrell, the award-winning creator of Rambo. Equal parts accessible, humorous, and practical, The Writer's Guide to Weapons is the one resource you need to incorporate firearms and knives into your fiction like a seasoned professional.

Siblings Bert, Willet, and Pansy know better than to go swimming at the old rock quarry. According to their father, it's the Devil's place, a place that's been cursed and forgotten. But Mississippi Delta summer days are scorching hot and they can't resist cooling off in the dark, bottomless water. Until the day six-year-old Pansy disappears. Not drowned, not lost . . . simply gone. After years with no sign, no hope of ever finding Pansy alive, Bert and Willet have tried to move on. But as surely as their mother died of a broken heart, they can't let go. So when clues surface drawing them to the remote tip of Florida, they drop everything and drive south. Deep in the murky depths of the Florida Everglades they may find the answer to Pansy's mysterious disappearance . . . but truth, like the past, is sometimes better left where it lies. Perfect for fans of Flannery O'Connor and Dorothy Allison, *The Past Is Never* is an atmospheric, haunting story of myths, legends, and the good and evil we carry in our hearts.

With his debut novel, *Hell on Church Street*, Jake Hinkson became known for combining religious fundamentalism with dark crime fiction. In his first story collection, *The Deepening Shade*, desperate characters grasp for moments of grace: A lesbian couple running a homeless shelter try to save a young woman controlled by a self-proclaimed prophet. A stripper commits a terrible crime to protect her sister from going to jail. A Pentecostal snake-handler avenges his daughter's murder only to find himself tormented by his own unbelief. An alcoholic cop, drunk on duty, attempts to stop Dick Cheney from robbing a gas station. In these stories and more, which range from the heartbreakingly tragic to the bizarrely funny, characters struggle violently with each other, and with themselves. "Jake Hinkson is the kind of storyteller

who picks the reader up by the ankles and shakes their heart out through their throat. The Deepening Shade is the best short story collection I've read in years." —Benjamin Whitmer, author of Pike and Cry Father "Collectively, these stories are a feat of black magic conjured by a master wordsmith and storyteller intimate with both the dark side and the resiliency of humanity." —Eric Rickstad, author of Reap and The Silent Girls
