Aidan O'Linn's childhood ended the night he saw a demon kill his mother and mark his sister, Ava, with Darkness. Since then, every three years the demons have returned to try to claim her. Living in the gritty, forgotten corners of Los Angeles, Aidan has managed to protect his sister, but he knows that even his powers to fight demons and speak dead languages won't keep her safe for much longer.

Darkness Brutal: The Dark Cycle, Book 1 (Unabridged) on ...

Rachel A. Marks is an award-winning writer, a professional artist, and a cancer survivor. She is the author of the novels Darkness Brutal and Darkness Fair, parts one and two of the Dark Cycle, and the novella Winter Rose, and her art can be found on the covers of several New York Times and USA Today bestselling novels. She lives in Southern California with her husband, four kids, six rabbits, two ducks, and a cat.

Aidan O Linn s childhood ended the night he saw a demon kill his mother and mark his sister, Ava, with Darkness. Since then, every three years the demons have returned to try to claim her. Living in the gritty, forgotten corners of Los Angeles, Aidan has managed to protect his sister, but he knows that even his powers to fight demons and speak dead languages won t keep her safe for much longer. In desperation, Aidan seeks out the help of Sid, the enigmatic leader of a group of teens who run LA Paranormal, an Internet reality show that fights demons and ghosts. In their company, Aidan believes he s finally found a haven for Ava. But when he meets Kara, a broken girl who can spin a hypnotic web of passionate energy, he awakens powers he didn t know he had?and unleashes a new era of war between the forces of Light and the forces of Darkness. With the fate of humanity in his hands, can Aidan keep the Darkness at bay and accept his brilliant, terrifying destiny?"

Against the backdrop of an ancient battle between the forces of Light and the forces of Darkness, Aidan struggles to control the newly awakened and enigmatic powers that seem to be his only hope for rescuing Ava, his little sister, trapped somewhere beyond the Veil. As he gravitates to Kara, the beguiling and dangerously unstable girl who helped him realize his abilities, a terrible mistake of fate is revealed that points him back toward Rebecca, whose role is becoming more critical to the battle. And no matter what his heart wants, it might be too late to stop the pieces already in motion. Without knowing the sacrifices that will be required of them, Aidan and his motley crew of friends--each with their own role to play--must face the demon threat head-on. They're the only ones keeping the growing army of Darkness at bay, and if they fail, the future of humanity could be lost.

The fate of humanity hangs in the balance as Aidan faces a crushing choice: give in to the demands of the forces of Darkness in order to save his sister, Ava, or fight on the side of good and risk losing her forever. With so much at stake and so little time, Aidan rushes to finish assembling a team of Lights, other teens whose special abilities are linked to his own. Meanwhile, Rebecca discovers that she's more than just a normal teen and that the power awakening inside her may be stronger than she ever could have imagined. As the city plunges into chaos and Aidan doubts his plan of attack, Rebecca's newfound gift may tip the scale in the wrong direction. In this thrilling final installment of the Dark Cycle series, will Aidan find the help he needs to release the world from Darkness's grip? Or will he lose everything he's been desperately trying to save, including his soul?

In Hollywood's underworld of demigods, druids, and ancient bonds, one girl has a dangerous future. Sage is eighteen, down on her luck, and struggling to survive on the streets of Los Angeles. Everything changes the night she's invited to a party--one that turns out to be a trap. Thrust into a magical world hidden within the City of Angels, Sage discovers that she's the daughter of a Celtic goddess, with powers that are only in their infancy. Now that she is of age, she's asked to pledge her service to one of the five deities, all keen on winning her favor by any means possible. She has to admit that she's tempted--especially when this new life comes with spells, Hollywood glam, and a bodyguard with secrets of his own. Not to mention a prince whose proposal could boost her rank in the Otherworld. As loyalties shift, and as the two men vie for her attention, Sage tries to figure out whom to trust in a realm she doesn't understand. One thing is for sure: the trap she's in has bigger claws than she thought. And it's going to take a lot more than magic for this Celtic demigoddess to make it out alive.

Genly Ai is an ethnologist observing the people of the planet Gethen, a world perpetually in winter. The people there are androgynous, normally neuter, but they can become male or female at the peak of their sexual cycle. They seem to Genly Ai alien, unsophisticated and confusing. But he is drawn into the complex politics of the planet and, during a long, tortuous journey across the ice with a politician who has fallen from favour and has been outcast, he loses his professional detachment and reaches a painful understanding of the true nature of Gethenians and, in a moving and memorable sequence, even finds love...

A pansexual bloodmage reluctantly teams up with an undead spirit to start a rebellion among the living and the dead, in this dark YA fantasy by A.M. Strickland, author of Beyond the Black Door, whom Richard Kadrey calls "a storyteller of both grace and power." In Thanopolis, those gifted with magic are assigned undead spirits to guard them--and control them. Ever since Rován's father died trying to keep her from this fate, she's hidden her magic. But when she accidentally reveals her powers, she's bound to a spirit and thrust into a world of palace intrigue and deception. Desperate to escape, Rován finds herself falling for two people she can't fully trust: Lydea, a beguiling, rebellious princess; and Ivrilos, the handsome spirit with the ability to control Rován, body and soul. Together, they uncover a secret that will destroy Thanopolis. To save them all, Rován will have to start a rebellion in both the mortal world and the underworld, and find a way to trust the princess and spirit battling for her heart--if she doesn't betray them first. An Imprint Book

A book that challenges the word "powerful" and obliterates it Written in searing prose, this is the story of two boys: Erik, who performs miracles, and Thorn, who hears voices. The book chronicles their lives as their minds devolve into hallucinations, and shows the way their worlds intersect, culminating in a final stand-off. This debut novel offer a raw, insightful look at the forces that compel us to act against our will. Even more so, it captivates and dares us to look away, knowing full well we can't. Praise for FELL OF DARK: * "Downes brilliantly plays with language and metaphor, and explores the dualities of sanity/insanity, beauty/ugliness, voice/voicelessness in a chilling echo of real incidents of school violence. A stunning debut novel that offers sophisticated readers a glimpse into the psychological disintegration of two distinct characters."--Kirkus Reviews *STARRED* * "For many readers, this will be an impersonal but impressive work of literary art. But for some, serendipity will strike, whether in an image or in a confused, despairing reaction to an incomprehensible world, and Downes's vision will connect into an epiphany."--Publishers Weekly *STARRED* * "Readers willing to sink into the depths of two unstrung teens and their frantic individual struggles to understand the cruelties and redemptions of the universe will be rewarded by this disarming, thought-provoking, and entrancing story."--Booklist *STARRED* "Readers who are up for a literary challenge will find this dual narrative provocative, beautiful, and deeply sad."--BCCB "Here is a book built of darkness and gleam, of raw emotion and shattering poetry, of harrowing compulsions and zero compromise. Patrick Downes possesses blazing, beautiful, terrifying talent. His characters walk the shadows. His language bursts like sky."--Beth Kephart, National Book Award nominee and author of Small Damages "Luminous and pure. A masterwork of astonishing authority and beauty."--Julie Berry, author of All the Truth That's In Me

The classic study of human nature which depicts the degeneration of a group of schoolboys marooned on a desert island.

One reporter takes an immersive dive into white supremacy's explosive online presence, exploring the undercurrents of propaganda, racism, misogyny, and history that led us to where we are now. Talia Lavin is every skinhead's worst nightmare: a loud and unapologetic Jewish woman, acerbic, smart, and profoundly antiracist, with the investigative chops to expose the tactics and ideologies of online hate mongers. Culture Warlords is the story of how Lavin, a frequent target of extremist trolls (including those at Fox News), dove into a byzantine online culture of hate and learned the intricacies of how white supremacy proliferates online. Within these pages, she reveals the extremists hiding in plain sight online: Incels. White nationalists. White supremacists. National Socialists. Proud Boys. Christian extremists. In order to showcase them in their natural habitat, Talia assumes a range of identities, going undercover as a blonde Nazi babe, a forlorn incel, and a violent Aryan femme fatale. Along the way, she discovers a whites-only dating site geared toward racists looking for love, a disturbing extremist YouTube channel run by a fourteen-year-old girl with over 800,000 followers, the everyday heroes of the antifascist movement, and much more. By combining compelling stories chock-full of catfishing and gate-crashing with her own in-depth, gut-wrenching research, she also turns the lens of anti-Semitism, racism, and white power back on itself in an attempt to dismantle and decimate the online hate movement from within. Shocking, humorous, and merciless in equal measure, Culture Warlords explores some of the vilest subcultures on the Web--and shows us how we can fight back.

The aging orc shaman Ner'zhul has seized control of the Horde and reopened the Dark Portal. His brutal warriors once again encroach upon Azeroth, laying siege to the newly constructed stronghold of Nethergarde Keep. There, the archmage Khadgar and the Alliance commander, Turalyon, lead humanity and its elven and dwarven allies in fighting this new invasion. Even so, disturbing questions arise. Khadgar learns of orcish incursions farther abroad: small groups of orcs who seem to pursue a goal other than simple conquest. Worse yet, black dragons have been sighted as well, and they appear to be aiding the orcs. To counter Ner'zhul's dark schemes, the Alliance must now invade the orcs' ruined homeworld of Draenor. Can Khadgar and his companions stop the nefarious shaman in time to stave off the destruction of two worlds?
