In Vintage Living Texts, teachers, students and any lover of literature will find the essential guide to the major works of Iris Murdoch. Iris Murdoch's themes, genre and narrative techniques are put under scrutiny and the emphasis is on providing a rich source of ideas for intelligent and inventive ways of approaching the novels.

Deconstruction can help us to question and revise everything we're told about the world—our received ideas. So it can make us more critical citizens as well as more critical readers of literary texts. But if you really want to set deconstruction to work, you've got to work to achieve that goal. Never mind the theory's enticing talk about "play."
