Since its original publication, Drawing Down the Moon continues to be the only detailed history of the burgeoning but still widely misunderstood Neo-Pagan subculture. Margot Adler attended ritual gatherings and interviewed a diverse, colorful gallery of people across the United States, people who find inspiration in ancient deities, nature, myth, even science fiction.

Drawing Down the Moon: Witches, Druids, Goddess ...

The name, Drawing Down the Moon, is said to have come from a depiction of two women and the moon on an ancient Greek vase, believed to date from the second century BCE. When a solitary witch performs this ritual it is done during a full Moon and within a circle. The solitary witch assumes the goddess pose, both arms are held high with palms up, the body and arms form a Y, the witch then chants to invoke the Goddess spirit.
