of the Century -- is now a Netflix film starring Lily James and Armie Hammer. Last night I dreamt I went to Manderley again . . . The novel begins in Monte Carlo, where our heroine is swept off her feet by the dashing widower Maxim de Winter and his sudden proposal of marriage. Orphaned and working as a lady's maid, she can barely believe her luck. It is only when they arrive at his massive country estate that she realizes how large a shadow his late wife will cast over their lives--presenting her with a lingering evil that threatens to destroy their marriage from beyond the grave. Jemisin's Inheritance Trilogy. When Rin aced the Keju—the Empire-wide test to find the most talented youth to learn at the Academies—it was a shock to everyone: to the test officials, who couldn't believe a war orphan from Rooster Province could pass without cheating; to Rin's guardians, who believed they'd finally be able to marry her off and further their criminal enterprise; and to Rin herself, who realized she was finally free of the servitude and despair that had made up her daily existence. That she got into Sineward—the most elite military school in Nikan—was even more surprising. But surprises aren't always good. Because being a dark-skinned peasant girl from the south is not

an easy thing at Sineward.

Targeted from the outset by rival classmates for her color, poverty, and gender, Rin discovers she possesses a lethal, unearthly power—an aptitude for the nearly-mythical art of shamanism. Exploring the depths of her gift with the help of a seemingly insane teacher and psychoactive substances, Rin learns that gods long thought dead are very much alive—and that mastering control over those powers could mean more than just surviving school. For while the Nikara Empire is at peace, the Federation of Mugen still lurks across a narrow sea. The militarily advanced Federation occupied Nikan for decades after the First Poppy War, and only barely lost the

continent in the Second. And while most of the people are complacent to go about their lives, a few are aware that a Third Poppy War is just a spark away Rin's shamanic powers may be the only way to save her people. But as she finds out more about the god that has chosen her, the vengeful Phoenix, she fears that winning the war may cost her humanity . . . and that it may already be too late.

Life's too short to play it safe... Since her sister's death, twenty-year-old Paisley Donovan has been treated like delicate glass by her parents. She may share her sister's heart condition, but nothing will stop her from completing her Bucket List, even

if it kills her. And it almost does, until Jagger Bateman pulls her from the ocean and breathes more than air into her lungs—he sets her soul on fire. Jagger is enrolled in the country's toughest flight school. He's wickedly hot, reckless, and perfect for a girl looking to live life to the fullest. Except that Paisley is the commanding general's daughter, and her boyfriend is Jagger's biggest rival. Now Paisley must decide just how much to risk for a guy who makes her heart pound a little too hard. They're flying through dangerous territory—and one wrong move could make them crash and burn... Bentley sitting across from him at a coffee shop thousands of miles from their hometown. After all, no one has seen or heard from her since they graduated over a year ago. Except this girl isn't Nicole. She looks exactly like Cal's shy childhood crush, but her name is Nyelle Preston and she has no idea who he is. This girl is impulsive and daring, her passion for life infectious. The complete opposite of Nicole. Cal finds himself utterly fascinated-and falling hard. But Nyelle is also extremely secretive. And the closer he comes to finding out what she's hiding, the less he wants to know. When the secrets from the past and present collide, one thing becomes clear: Nothing is what it seems. **NEW BONUS**

Rin's story continues in this acclaimed sequel to *The Poppy War*—an epic fantasy combining the history of twentieth-century China with a gripping world of gods and monsters. The war is over. The war has just begun. Three times throughout its history, Nikan has fought for its survival in the bloody Poppy Wars. Though the third battle has just ended, shaman and warrior Rin cannot forget the atrocity she committed to save her people. Now she is on the run from her guilt, the opium addiction that holds her like a vice, and the murderous commands of the fiery Phoenix—the vengeful god who

has blessed Rin with her fearsome power. Though she does not want to live, she refuses to die until she avenges the traitorous Empress who betrayed Rin's homeland to its enemies. Her only hope is to join forces with the powerful Dragon Warlord, who plots to conquer Nikan, unseat the Empress, and create a new republic. But neither the Empress nor the Dragon Warlord are what they seem. The more Rin witnesses, the more she fears her love for Nikan will force her to use the Phoenix's deadly power once more. Because there is nothing Rin won't sacrifice to save her country . . . and exact her vengeance.
