NEW YORK TIMES BESTSELLER • In this collection of personal essays, the beloved star of Gilmore Girls and Parenthood reveals stories about life, love, and working as a woman in Hollywood—along with behind-the-scenes dispatches from the set of the new Gilmore Girls, where she plays the fast-talking Lorelai Gilmore once again. With a new bonus chapter In Talking as Fast as I Can, Lauren Graham hits pause for a moment and looks back on her life, sharing laugh-out-loud stories about growing up, starting out as an actress, and, years later, sitting in her trailer on the Parenthood set and asking herself, " Did you, um, make it? " She opens up about the challenges of being single in Hollywood (" Strangers were worried about me; that `s how long I was single! "), the time she was asked to audition her butt for a role, and her experience being a judge on Project Runway (" It `s like I had a fashion-induced blackout "). In " What It Was Like, Part One, " Graham sits down for an epic Gilmore Girls marathon and reflects on being cast as the fast-talking Lorelai Gilmore. The essay " What It Was Like, Part Two " reveals how it felt to pick up the role again nine years later, and what doing so has meant to her. Some more things you will learn about Lauren: She once tried to go vegan just to bond with Ellen DeGeneres, she `s aware that meeting guys at awards shows has its pitfalls (" If you `re meeting someone for the first time after three hours of hair, makeup, and styling, you `ve already set the bar too high " ), and she `s a card-carrying REI shopper (" My bungee cords now earn points! "). Including photos and excerpts from the diary Graham kept during the filming of the recent Gilmore Girls: A Year in the Life, this book is like a cozy night in, catching up with your best friend, laughing and swapping stories, and—of course—talking as fast as you can.
