Monarchs): Castor, Helen ...

I LOVED this penguin monarch study of Elizabeth I.

Although I knew the framework and most of the events Castor wrote about, I adored the succinct way Castor discussed and structured the knowledge and story. 'A study in insecurity' is an extremely accurate byline for the book; it focused on the inherent insecurity of Elizabeth's life.

Share. 'The experience of
insecurity, it turned out,
would shape one of the most
remarkable monarchs in
England's history'. In the
popular imagination, as in
her portraits, Elizabeth I
is the image of monarchical
power. But this image is as
much armour as a reflection
of the truth.

Read Free Elizabeth I Penguin Monarchs A Study

100 pages is barely enough to scratch the surface of Elizabeth's eventful life, but this brief introduction serves as a compelling character study of one of England's most fascinating monarchs. Elizabeth's action-packed reign is certainly worthy of a fuller-sized biography, so I'm thinking that the Penguin Monarchs series is better suited to lesser-known royals who I'd like to learn some more about without it being a major time commitment.

Penguin Monarchs - Penguin Books UK

Sometimes called the Virgin Queen, Gloriana or Good Queen Bess, Elizabeth was the last of the five monarchs of the House of Tudor . Elizabeth was the daughter of Henry VIII and Anne Boleyn, his second wife, who was executed two-and-a-half years after Elizabeth's birth.
