Si algo hemos descubierto en estos años es que España funciona como un gran Monopoly. Una partida a la que sólo están invitados determinados jugadores que se mueven saltando de casilla en casilla, haciendo y deshaciendo, acumulando bienes, cargos y condecoraciones y logrando, sin mucho esfuerzo en algunos casos y por razones poco transparentes, importantes beneficios en forma de contrato, de indulto, de subvención o de ley a medida. Este libro nace con la pretensión de sacar a la luz los entresijos del poder, de explicar cómo se cocinan las leyes y a qué intereses

responden, quiénes son aquellos que toman las decisiones más importantes y de qué forma se lucran con ello. Quiénes hacen las reglas y, lo más importante, con qué intención. Belmonte, periodista que lleva años escarbando en el BOE y publicando así noticias de gran repercusión, señala y pone nombre a los principales males del sistema español de gobierno.

An entertaining tour of the science of humor and laughter  
Humor, like pornography, is famously difficult to define. We know it when we see it, but is there any way to figure out what we really find funny? In this fascinating investigation into the science of humor and laughter, neuroscientist Scott Weems uncovers what's happening in our heads when we giggle, guffaw, or double over with laughter. Beginning with the premise that humor arises from inner conflict in the brain, Weems explores such issues as why surprise is so important for humor, why computers are terrible at recognizing what's funny, and why cringe-worthy stereotypes make us laugh the hardest. From the role of insult jokes to the benefit of laughing for our immune system responses, Ha! reveals why humor is so idiosyncratic, and why how-to books alone will never help us become funnier people. Packed with the latest research, amusing anecdotes (and even a few jokes), Ha! is a delightful tour of why humor is so important to our daily lives.

No Matter What Life Throws at Them, the Grace Sisters Always Have Each Other  
The four Grace sisters-Liz, Sal, Tilly, and Addie-love their quiet life in the country village of Chevis Green. To some, their insular world might seem dull, but the sisters and their father, Mr. Grace, never seem to run out of conversation, jokes, and pleasant ways to pass the time together. They truly are the happiest of families. That is, until Aunt Rona comes to town. Rona intends to stay with the

Graces indefinitely, and her superior, meddlesome attitude immediately sets the sisters' teeth on edge. Throw in another unexpected houseguest, some potential suitors, and a case of mistaken intentions, and the members of the Grace family suddenly find themselves quite out of their element. Will they manage to make it through the summer and return to their quiet ways? Or will their close-knit family change forever? The Four Graces is another heartwarming tale from D.E. Stevenson, beloved author of Miss Buncle's Book Readers Love The Four Graces: "Reading D.E. Stevenson is simultaneously profoundly entertaining and heart-wrenching."

"A concise, well-written history of U.S. working-class struggle and radicalism" from the author of *Women and Socialism: Class, Race, and Capital (Solidarity)*. Smith explores how the connection between the U.S. labor movement and the Democratic Party, with its extensive corporate ties, has repeatedly held back working-class struggles. And she closely examines the role of the labor movement in the 2004 presidential election, tracing the shrinking electoral influence of organized labor and the failure of labor-management cooperation, "business unionism," and reliance on the Democrats to deliver any real gains. "Sharon Smith brings that history to life once again, blasting through the myths of the working class that Trump-era narratives cling to in order to connect us once again to the possibility of building broad solidarity." —Sarah Jaffe, author of *Work Won't Love You Back* "A veteran worker-intellectual brilliantly addresses the crisis of the labor movement, skewering those who believe that renewal can come from the top down, and encouraging those who are fighting to rebuild it from the bottom up." —Mike Davis, author of *Planet of Slums*

In the third year of the seminal series, no-holds-barred

investigative reporter Spider Jerusalem delves into the City's police corruption. Despite drugs, drinking, and paranoia, Spider and his filthy assistants are hot on the trail of the truth behind the newly elected president's campaign. This volume includes the stories "Lonely City" and "Gouge Away," plus standalone stories such as "Nobody Loves Me," featuring guest artists Lea Hernandez, Kieron Dwyer, Bryan Hitch, Frank Quitely, and Eduardo Risso. Also collects a story from Vertigo: Winter's Edge #3.
