Dr. Annabelle Schwartzman has finally found a place to belong. As the medical examiner for the San Francisco Police Department, working alongside homicide detective Hal Harris, she uncovers the tales the dead can't tell about their final moments. It is a job that gives her purpose--and a safe haven from her former life at the hands of an abusive husband. Although it's been seven years since she escaped that ordeal, she still checks over her shoulder to make sure no one is behind her. Schwartzman's latest case is deeply troubling: the victim bears an eerie resemblance to herself. What's more, a shocking piece of evidence suggests that the killer's business is far from over--and that Schwartzman may be in danger. In this pulse-pounding thriller from award-winning writer Danielle Girard, a woman must face her worst nightmare to catch a killer.

Medical examiner Dr. Annabelle Schwartzman was not meant to be idle, which is why she's back at a murder scene even while reeling from recent chemotherapy treatments. Having undergone a double mastectomy, all she wants to do is dive back into her medical examiner job. It's a gruesome world, yet Schwartzman takes comfort in its science and precision. But the crime she's dealing with brings her right back to the cancer ward: the victim is her own oncologist, dead from ingesting the very chemical used to fight her disease. Now, Schwartzman and homicide inspector Hal Harris must figure out why and stop the culprit before he can act again. For Schwartzman, the case becomes even more personal. Her abusive ex, Spencer, who's in prison and seemingly out of the picture, is never far from Annabelle's mind. But to solve the mystery behind the death of the doctor who saved her life, she's got to put aside everything else.

Alone, held captive, and left in the dark, a woman's worst fears come true in this gripping thriller by the award-winning author of Expose. San Francisco medical examiner Annabelle Schwartzman has spent eight years looking over her shoulder. Stalked by her vengeful ex-husband, Spencer, she's always known they'd meet again. Has her nightmare come true? Abducted, blindfolded, yoked, and tethered, she's being held prisoner in an isolated cabin in Idaho. But it's the unknown that terrifies Annabelle now. Because the man's voice in the dark, though eerily familiar, is not Spencer's. Annabelle's partner and lover, Inspector Hal Harris, knows in his gut that Annabelle's disappearance is tied to the past. Except Spencer is fifteen hundred miles away. To save Annabelle, Hal is tracking every move Spencer makes. But is it drawing him closer to finding Annabelle? Or is it luring him farther from her desperate cries for help? As a cruel game of retribution begins, Annabelle must rely on her wits, her will to survive, and a plan of escape. But time is running out. And her captor's three chilling words make her fear that the worst is yet to come: sweet dreams, Bella.

From the bestselling author of the Annabelle Schwartzman series comes a chilling story of a woman with a forgotten past and a town with dark secrets. After surviving a car accident on an icy road in Hagen, North Dakota, Lily Baker regains consciousness with no idea where or who she is. Scattered Bible verses and the image of a man lying in a pool of blood haunt her memory. The same night of the accident, a young woman is murdered and tossed in a dumpster. Kylie Milliard, Hagen's only detective, doesn't immediately recognize the victim, but Kylie soon discovers that Lily and the dead woman share a dark past...if only Lily could remember what it was. Lily and Kylie both want answers. But Kylie has to play by the book. Lily has to play it safe. And the more Lily learns about her identity, the more she fears the truth.

A widow and ex-FBI agent of hard-earned courage, Cody O'Brien is enjoying a quiet life, providing a good home for her eight-year-old son, Ryan. Then Ryan is kidnapped in broad daylight.

Rookie cop Alex Kincaid awakens in her car, dazed and confused. Parked on an unfamiliar street, she's at an unfamiliar home with no recollection of going there. Alex's first call of the day takes her to that same street where a man is dead.

An aggressive monster is loose, one who preys on a specific type of victim. Female. Police. Officers. For Sex Crimes Inspector Jamie Vail, no case has ever hit closer to home.
