Claire Danvers's college town may be run by vampires but a truce between the living and the dead made things relatively safe. For a while. Now people are turning up dead, a psycho is stalking her, and an ancient bloodsucker has proposed private mentoring. To what end, Claire will find out. And it's giving night school a whole new meaning. Watch a Windows Media trailer for this book.

College freshman Claire Danvers has had enough of her nightmarish dorm situation, where the popular girls never let her forget just where she ranks in the school's social scene: somewhere less than zero. When Claire heads off-campus, the imposing old house where she finds a room may not be much better. Her new roommates don't show many signs of life. But they'll have Claire's back when the town's deepest secrets come crawling out, hungry for fresh blood. Watch a Windows Media trailer for this book.

Without the evil vampire Bishop ruling over the town of Morganville, the resident vampires have made major concessions to the human population. With their newfound freedom, Claire Danvers and her friends are almost starting to feel comfortable again . . . Now Claire can actually concentrate on her studies, and her friend Eve joins the local theatre company. Claire and Eve soon realise that this film project, featuring the vampires themselves, is a whole lot bigger - and way more dangerous - than anyone suspected . . . 'Thrilling, sexy, and funny! These books are addictive. One of my very favourite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series

Get ready for "non-stop vampire action" (Darque Reviews) in the latest Morganville Vampire novel from New York Times bestselling author Rachel Caine. While developing a new system to maintain Morganville's defenses, student Claire Danvers discovers a way to amplify vampire mental powers. Through this, she's able to re-establish the field around this vampire-infested Texas college town that protects it from outsiders. But the new upgrades have an unexpected consequence: people inside the town begin to slowly forget who they are-even the vampires. Soon, the town's little memory problem has turned into a full-on epidemic. Now Claire needs to figure out a way to pull the plug on her experiment- before she forgets how to save Morganville... Accepted into a special study program at MIT with Professor Irene Anderson, Claire Danvers works on developing a technology to block the mental powers of vampires only to unleash unexpected forces when she tests the machine on live subjects.

In the college town of Morganville, vampires and humans coexist in (relatively) bloodless harmony. Then comes Bishop, the master vampire who threatens to abolish all order, revive the forces of the evil dead, and let chaos rule. But Bishop isn ’ t the only threat. Violent black cyclone clouds hover, promising a storm of devastating proportions as student Claire Danvers and her friends prepare to defend Morganville against elements both natural and unnatural. Watch a Windows Media trailer for this book.

When Claire Danvers and her equally outcast best friend Eve are invited to the annual Dead Girls' Dance at a fraternity, all hell breaks loose when the living group party with the dead group in a town rampant with bloodthirsty vampires.

INCLUDES A BRAND NEW AND EXCLUSIVE MORGANVILLE SHORT STORY ONLY AVAILABLE IN THIS EDITION In the small town of Morganville, vampires and humans lived in (relative) peace - until all the rules got rewritten when the evil vampire Bishop arrived, looking for the lost book of vampire secrets. He's kept a death grip on the town ever since. Now an underground resistance is brewing, and in order to contain it, Bishop must go to even greater lengths. He vows to obliterate the town and all its inhabitants - the living and the undead. Claire Danvers and her friends are the only ones who stand in his way. But even if they defeat Bishop, will the vampires ever be content to go back to the old rules, after having had such a taste of power? 'Thrilling, sexy and funny! These books are addictive. One of my very favourite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series.
