F stands for "funny" in this perfect gift for students or anyone who has ever had to struggle through a test and needs a good laugh. Celebrating the creative side of failure in a way we can all relate to, F in Exams gathers the most hilarious and inventive test answers provided by students who, faced with a question they have no hope of getting right, decide to have a little fun instead. Whether in science (Q: What is the highest frequency noise that a human can register? A: Mariah Carey), the humanities (Q: What did Mahatma Gandhi and Genghis Khan have in common? A: Unusual names), math, or other subjects, these 250 entries prove that while everyone enjoys the spectacle of failure, it's even sweeter to see a FAIL turn into a WIN.

EXAMS! Just the word is enough to bring you out in a muck sweat. We've all been there, staring at the paper, wondering what it means, and if we'll get extra marks for a funny answer or just pelters and an 'F' for F'un Eejit-Heid Failure. F'un Exams is a hilarious collation of exam answers that most of us would have liked to have made, just for the hell of it. In Home Ec, for instance, the question, 'Name three typical Scottish dishes' got the answer, 'A cup, a plate, and a wee saucer with a chip out of it.' Was that you? So reminisce, step back into the exam hall, and have a laugh at the true and allegedly true howlers in F'un Exams. And if it wasn't you that gave these answers, you'll wish it was.

From the author of the national bestseller F in Exams comes a brand new compendium of hilarious and inventive wrong test answers and homework hiccups. Featuring gems from elementary school ("two halves make a whale"), middle grades (Q: What does "germinate"

EXAMINATIONS & ASSESSMENT. What happens to a boy when he reaches puberty? He says goodbye to childhood and enters adultery. How can you prevent milk turning sour? Keep it in the cow. We've all been there. You've been studying hard, the day of the Big test arrives, you turn over the paper, and 'what the *& per cent @ does that mean?!' Not a clue. Some students, rather than admit defeat, choose to adopt a more creative approach to answering those particularly awkward exam questions. Packed full of hilarious examples, this book will bring a smile to the face of teachers, parents and students alike - and anyone who's ever had to sit a test.

Based on the bestselling F in Exams book series, this laugh-a-day calendar presents stunningly wrong but hilariously true student test answers.

Laughter is as essential for us as breathing is. The life becomes a big boredom without humour. Whatever be the merits of today's busy and hectic life, it certainly has taken away laughter from our lives. Mental breakdowns we see around are proofs of it. This 'Jokes E-book' of ours is an effort to dissolve your tensions in a solution of smiles, chuckles and laughter. We earnestly believe that our collections of hilarious jokes will displace your worries and gloom with lots of Ha-Ha's.

The modern workplace environment has always been a source of comedy from decades, but very few people are willing to openly admit it. Many executives think humor and laughter are unproductive, unprofessional, and being serious and gloomy is the only way to spend their work life. This is why most modern workplaces have become extremely humorless, artificial and stressful. But we don't have to be humorless to run a business. Actually, the ability to laugh at yourself and your work are the qualities of great and successful leaders. Having a sense of humor can lighten up difficult situations and creatively solve many personal and business problems. You must be able to think in atrocious, ridiculous, and illogical terms. Modern management consultants call this 'thinking out of the box', but I call it old fashioned creativity and humor that has existed from centuries. Top Secret Business Humor is a collection of witty satire related to corporate stuff like processes, performance, change, strategy, customer satisfaction, meetings, quality, and other workplace dramas we endure for several hours a day. This book is all about imagining the creative and wackier side of working in an office to rejuvenate and brighten your day. The chapters are all fictitious and can be taken with a pinch of salt, though the paper used may not be edible. The author makes no representations or warranties of any kind with respect to the accuracy, usability or usefulness of the contents. So get serious about injecting some humor in your life.

Will some students ever learn from their mistakes? We hope not! This all-new collection of hilarious, totally wrong, real test answers serves a fresh batch of A+ wit misapplied to F- quiz scores. A little studying would reveal that the most powerful light source known to man isn't lightsabers
