Hanging Hill by Mo Hayder - Goodreads

Mo Hayder is one of my favourite authors and I've enjoyed all the books of hers that I've read so far. Hanging Hill was, for me, the best by a long shot....the story was fast-moving with a good plotline. Basically the story revolves around 2 sisters who have kind of grown apart until the horrible murder of a teenage girl brings them together again. There are all sorts of different characters in the book-some good, some not-so-good, and this keeps things interesting and makes you wonder what's ...

Amazon.com: Customer reviews: Hanging Hill

Hanging Hill is no different. Both Zoe and Sally are strong but flawed in different ways and it is interesting to see how they change over the course of the novel. Equally fascinating, if not more so to me, is how differently they view themselves, each other and their shared past and I am full of admiration for Ms Hayder's ability to portray it so well.
