Transform Yourself from "Passion Victim" to Passionista! In the smash hit *She Comes First*, Ian Kerner singlehandedly waged battle against male sexual "ill-cliteracy," and women everywhere benefited from his "viva la vulva" philosophy of female pleasure. Now, in *Passionista*, it's time to learn all about what turns men on—and makes them stay on. In this point-by-point, "blow-by-blow" guide, Kerner makes giving as much fun as receiving as he covers every angle of male sexuality, unlocks the secrets of satisfaction, and offers knowledgeable answers to the questions every woman wonders about. His advice is the closest you'll ever come to waking up in a guy's skin and knowing what truly makes him sexually tick. Written in the same witty, insightful, and utterly readable voice that has made *She Comes First* and *Be Honest—You're Not That Into Him Either* so popular, *Passionista* is the empowered woman's guide to enjoying sex to the fullest—and ensuring that he does the same.

The companion book to Ian Kerner's smash success *She Comes First*, *He Comes Next* offers women his sometimes radical, always expert advice on everything from the nature of male desire to sex-techniques that work. While women everywhere benefited from Ian Kerner's sexual philosophy of female pleasure in *She Comes First*, now it's time to learn all about what turns men on and makes them stay on. In *He Comes Next*, Kerner covers every angle of male sexuality, illuminates the most common sex-life ruts, and offers practical, knowledgeable answers to women's most frequently asked questions. In his role as a sex therapist, Kerner has spoken with countless men not only about the best sex they ever had, but also perhaps more important about the best sex they never had -- experiences they always desired and fantasized about, but were afraid to share with their partners. In the spirit of "full exposure," *He Comes Next* is the closest you'll ever come to waking up in a guy's skin and knowing what truly makes him sexually tick. Sexual pleasure goes beyond tips and tactics, however. Our sexual identities -- and the expression, gratification, and growth of these identities -- is fundamental to the success of our intimate relationships. With step-by-step and -- yes -- blow-by-blow detail, Kerner provides a clear, concise, achievable vision of sexual pleasure, one in which each technique forwards the action and where the whole is greater than the sum of its parts. Written in the same witty, insightful, and utterly readable voice that has made *She Comes First* and *Be Honest -- You're Not That Into Him Either* so popular, *He Comes Next* is the thinking woman's guide to enjoying sex to the fullest and ensuring that he does the same.

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. 'It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

Set aside the shortcomings of your past and step into a new level of victory and favor with this book by Joel Osteen, #1 bestselling author and pastor of Lakewood Church. Many of us have let our minds become conditioned to thinking we've reached our limits, we've made too many mistakes, we'll never do anything great. What's happened? Instead of moving forward, we've adapted to our environment. Instead of pushing beyond our bounds, we've allowed a

bad break, how we were raised, living with insecurity, or what someone did or didn't do to hold us back. The good news is that people don't determine our destiny-God does. And He has already taken into account every detail of our lives and factored them all into His plan. In his new book, Next Level Thinking, Joel Osteen writes that we weren't created to go through life weighed down by the past. God has destined us to rise higher-to the next level. When we leave behind the negative mind-sets, the scarcity mentality, and the limits others have put on us, we'll experience the life of victory, favor, and abundance that was meant for us all along.

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END—if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

An imaginative story of a woman caught in an alternate world—where she will need to learn the skills of magic to survive—Nora Fischer's dissertation is stalled and her boyfriend is about to marry another woman. During a miserable weekend at a friend's wedding, Nora wanders off and walks through a portal into a different world where she's transformed from a drab grad student into a stunning beauty. Before long, she has a set of glamorous new friends and her romance with gorgeous, masterful Raclin is heating up. It's almost too good to be true. Then the elegant veneer shatters. Nora's new fantasy world turns darker, a fairy tale gone incredibly wrong. Making it here will take skills Nora never learned in graduate school. Her only real ally—and a reluctant one at that—is the magician Aruendiel, a grim, reclusive figure with a biting tongue and a shrouded past. And it will take her becoming Aruendiel's student—and learning magic herself—to survive. When a passage home finally opens, Nora must weigh her "real life" against the dangerous power of love and magic. For lovers of Lev Grossman's *The Magicians* series (*The Magicians* and *The Magician King*) and Deborah Harkness's *All Souls Trilogy* (*A Discovery of Witches* and *Shadow of Night*).

Winner of the Coretta Scott King - John Steptoe for New Talent Author Award Filled with mystery and an intriguingly rich magic system, Tracy Deonn's YA contemporary fantasy *Legendborn* offers the dark allure of *City of Bones* with a modern-day twist on a classic legend and a lot of Southern Black Girl Magic. And a mysterious teenage mage who calls himself a "Merlin" and who attempts—and fails—to wipe Bree's memory of everything she saw. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down—or join the fight.
