"Unpacking the Standards features focus on important academic vocabulary and offer examples and non-examples to clarify learning goals. Interactive lessons allow you to actively participate and develop a deeper understanding of math concepts. Practice and Problem Solving pages provide opportunities for mathematical modeling as you practice and apply new concepts in real-world contexts. Leveled Performance Tasks and Problem Solving Connections help you pull together math concepts and skills and apply them to real-world situations. Assessment Readiness provides you with opportunities to practice and prepare for your high-stakes test. QR codes make it easy to use your smart phone or tablet to access online resources, including video tutorials, interactive animations, and PARCC assessment readiness practice."--Back cover.
