Hoot by Carl Hiaasen is a coming of age story that I adored. It has everything a kid could relate to - bullies, not fitting in, wanting to help, a noble cause, friendship, and family. The best part was the cute owls and the way the author brought the wonderful characters to life! I understand it is a movie!

This Newbery Honor winner and #1 New York Times bestseller is a beloved modern classic. Hoot features a new kid and his new bully, alligators, some burrowing owls, a renegade eco-avenger, and several extremely poisonous snakes. Everybody loves Mother Paula's pancakes. Everybody, that is, except the colony of cute but endangered owls that live on the building site of the new restaurant. Can the awkward new kid and his feral friend prank the pancake people out of town? Or is the owls' fate cemented in pancake batter? Welcome to Carl Hiaasen's Florida—where the creatures are wild and the people are wilder!

Hilarious, touching and thought-provoking, Hoot is a modern classic, now celebrating its fifteenth anniversary. Winner of the Newbery Honor award and a New York Times bestseller, Carl Hiaasen's first novel celebrates the natural world with his trademark wit and warmth. Roy Eberhardt never wanted to move to Florida. In his opinion, Disney World is an armpit. Roy's family moves around a lot so he's used to the new-kid drill – he's also used to bullies like Dana Matherson. And anyway, it's because of Dana that Roy gets to see the mysterious running boy who runs away from the school bus and who has no books, no backpack and, most bizarrely, no shoes. Sensing a mystery, Roy starts to trail the mystery runner – a chase that will introduce him to many weird Floridian creatures: potty-trained alligators, cute burrowing owls, a fake-fart champion, a shoeless eco-warrior, a sinister pancake PR man, new friends and some snakes with sparkly tails. As the plot thickens, Roy and his friends realise it's up to them to save the endangered owls from the evil Mother Paula's pancake company who are planning to build a new restaurant on their home . . .

This collection features five of Carl Hiaasen's hilarious, award-winning classics! Take a trip to Carl Hiaasen's Florida--where the animals are wild and the people are wilder--with this collection that includes Hoot, Flush, Scat, Chomp, and Squirm. Hoot: Everybody loves Mother Paula's pancakes. Everybody, that is, except the cute but endangered owls that live on the building site of the new restaurant. Can the awkward new kid and his feral friend prank the pancake people out of town? Or is the owls' fate cemented in pancake batter? Flush: The Coral Queen casino boat is treating the ocean like a toilet bowl, so Noah's dad decides to sink the darn thing. Problem is, there's no evidence of illegal dumping. Now Dad's in the clink, the boat's back in business, and only Noah can flush the truth out into the open. Scat: The most terrifying teacher in school is missing in the Everglades, and it's up to Nick and Marta to find her. But first they'll have to reckon with a junior arsonist, a wannabe Texas oilman, and a ticked-off Florida panther. It's all about to hit the fan, and when it does, these kids better scat. Chomp: When Wahoo Cray's dad--a professional animal wrangler--takes a job with a reality-TV survival show, Wahoo figures he'll have to do a bit of wrangling himself to keep his father from killing the show's inept and egotistical star. But the job keeps getting more complicated--and it isn't just the animals who are ready to chomp. Squirm: This summer, Billy will fly across the country, hike a mountain, float a river, dodge a grizzly bear, shoot down a spy drone, save a neighbor's cat, save an endangered panther, and then try to save his own father.

Carl Hiaasen takes us deep in the Everglades with an eccentric eco-avenger, a ticked-off panther, and two kids on a mission to find their missing teacher. Florida—where the animals are wild and the people are wilder! Bunny Starch, the most feared biology teacher ever, is missing. She disappeared after a school field trip to Black Vine Swamp. And, to be honest, the kids in her class are relieved. But when the principal tries to tell the students that Mrs. Starch has been called away on a "family emergency," Nick and Marta just don't buy it. No, they

figure the class delinquent, Smoke, has something to do with her disappearance. And he does! But not in the way they think. There's a lot more going on in Black Vine Swamp than any one player in this twisted tale can see. It's all about to hit the fan, and when it does, the bad guys better scat. "Ingenious . . . Scat won't disappoint Hiaasenphiles of any age." —The New York Times "Woohoo! It's time for another trip to Florida—screwy, gorgeous Florida, with its swamps and scammers and strange creatures (two- and four-legged). Our guide, of course, is Carl Hiaasen." —DenverPost.com

A wildly entertaining adventure involving snakes, grizzlies, a menacing drone, a missing father, and the kid determined to find him. In classic Hiaasen fashion, the animals here are wild, and the people are wilder! Some facts about Billy Dickens: * He once saw a biker swerve across the road in order to run over a snake. * Later, that motorcycle somehow ended up at the bottom of a canal. * Billy isn't the type to let things go. Some facts about Billy's family: * They've lived in six different Florida towns because Billy's mom insists on getting a house near a bald eagle nest. * Billy's dad left when he was four and is a total mystery. * Billy has just found his dad's address--in Montana. This summer, Billy will fly across the country, hike a mountain, float a river, dodge a grizzly bear, shoot down a spy drone, save a neighbor's cat, save an endangered panther, and then try to save his own father. "A fun romp that will keep readers hooked." —The New York Times

Andrew Yancy—late of the Miami Police and soon-to-be-late of the Monroe County sheriff's office—has a human arm in his freezer. There's a logical (Hiaasenian) explanation for that, but not for how and why it parted from its shadowy owner. Yancy thinks the boating-accident/shark-luncheon explanation is full of holes, and if he can prove murder, the sheriff might rescue him from his grisly Health Inspector gig (it's not called the roach patrol for nothing). But first—this being Hiaasen country—Yancy must negotiate an obstacle course of wildly unpredictable events with a crew of even more wildly unpredictable characters, including his just-ex lover, a hot-blooded fugitive from Kansas; the twitchy widow of the frozen arm; two avariciously optimistic real-estate speculators; the Bahamian voodoo witch known as the Dragon Queen, whose suitors are blinded unto death by her peculiar charms; Yancy's new true love, a kinky coroner; and the eponymous bad monkey, who with hilarious aplomb earns his place among Carl Hiaasen's greatest characters. Here is Hiaasen doing what he does better than anyone else: spinning a tale at once fiercely pointed and wickedly funny in which the greedy, the corrupt, and the degraders of what's left of pristine Florida—now, of the Bahamas as well—get their comeuppance in mordantly ingenious, diabolically entertaining fashion.

Once a hotshot investigative reporter, middle-aged Jack Tagger now bangs out obituaries for a South Florida daily. When Jimmy Stoma, the infamous front man of Jimmy and the Slut Puppies, dies in a diving "accident, " Jack uses clues from the singer's own music to unravel the mystery and resurrect his career in the process.
