On these forums, real and would-be burglars debate the best ways to break into a house -- how to quietly break a window, why carding (using a credit card to release a lock) is still the best method and why some still prefer the kick-in-the-door approach. Even retired breaking-and-entering pros chime in with stories of their greatest successes.

40 Ways to Break Into a House | HowStuffWorks

House owners on the estate also pay towards its upkeep. About \u00a34,000 a year is the norm. Some of its owners are martyrs to authentic mid-century style. Among the Barbican's groups is a free salvage store (barbicansalvage.org) which allows residents to reuse unwanted original fittings from each other's homes.

Putting your home into trust (along with other assets) is like creating a family bank. This can help and protect many generations of your family. Should you go into care, potentially having your house in trust may enable your family to preserve the value of your home. But creating a trust specifically for that reason will not be effective in our opinion.
