Design Thinking Is Not A Process, It's A Mindset

Over the past 50 years or so we have discovered a great deal about how designers think. This book relies upon that knowledge but presents it in a way specifically intended to help the student and perhaps the teacher. Bryan Lawson ' s classic book How Designers Think has been in print since 1980 and has gone through four editions to keep it up to date. This book can be seen as a companion volume for the design student.
