My chosen tears are better than your imposed smlie, Why don't you let me alone to cover that extra mile? This could be your own story written in the third person. Yes, this is a story that many of us can relate to, whether we are students, parents or working professionals. The characters and scenes in the story and the overall plot could seem familiar to many of us. This is not a story that tells you that bad things happen to good people. This is a story of a group of engineering students, from radically different backgrounds, coming together and trying to fit the pieces in the puzzle called life. They try to turn around their lives and twist their fortunes to make everything fall into place. Caged and chained by societal norms, they end up following the most traversed path. Those fallen breadcrumbs were the façade of the correct path, and they went on a crazy roller coaster ride of laughter, sorrow, fun, suspense and entertainment. And secrets too! What secrets? Read on to find out! "Suddenly, they heard a beautiful song played on Guitar, "Why the world will take decisions on my behalf? When my heart knows exactly where I live, love and Laugh." "It was around 11:30 pm, and everyone in the house was sleeping when Akku was lamenting over his failed career." "Lukesh is missing from the college." "What if Tanmay spills our secret someday? What secret?"
