and used as target practice on a firing range, but things are about to turn more dangerous yet. He has 205 days. Over half the year to go ...

An explosive new Conspiracy 365 adventure! Cal, Winter, Ryan, and Boges lived through the 365 days it took to solve the Ormond Singularity, and then barely escaped from a lunatic bent on revenge. Now, a secret from Winter's mysterious past has come back to haunt them . . . With Cal away at flight school and a dangerous mystery to solve, will Winter be able to survive her own 30-day countdown? The clock is ticking, and any second could be her last.

On New Year's Eve, Callum Ormond

is chased down the street by a crazed man with a deadly warning: They killed your father. They'll kill you. You must survive the next 365 days! Now he's on the run. The people who killed his father want him dead, and the police are chasing him for a crime he didn't commit. A month has gone by and he's still no nearer to solving the Ormond Riddle, the family secret that has turned his life into a nightmare. Can he trust the mysterious Winter Frey, or will she lead him further into danger? He has 334 days. The clock is ticking...

When Cal's identity is taken from him and he's locked in an asylum, he struggles to get free and reach his great-uncle Bartholomew or solve the mystery of the Ormonds.
