Seeing Sociology in your Everyday Life With a complete theoretical framework and a global perspective, Society: The Basics, 13/eoffers students an accessible and relevant introduction to sociology. Author John J. Macionis empowers students to see the world around them through a sociological lens, helping them to better understand their own lives. This informative, engaging, and entertaining title will change the way readers see the world and open the door to many new opportunities.

For one semester/quarter introduction sociology courses. John Macionis, like many students, took a college course that shaped his life. For John, that course was his introductory sociology course. This course helped John make sense of the world around him. John infuses his textbooks with his enthusiasm, excitement, and passion for teaching. His main goal is to help students connect sociology to everyday life. Society: The Basics, 9/e strengthens this Macionis tradition of helping students to see sociology in everyday life! Dear Dr. Macionis, I am currently a student at Columbus State, and my sociology professor is utilizing your book, Society: The Basics, in his lectures. I just wanted to let you know that I have thoroughly enjoyed reading your book...I love the fact that you intertwine sociological concepts with real-life situations. It is fascinating to view different cultures through the eyes of a sociologist, and it is amazing how much can be learned when an objective outlook is maintained. Between your book and my professor, sociology has become a passion for me. Thank you for your contributions to the developing sciences. PilantColumbus State Community Colleg

Sociology: A Global Introduction, with its international outlook and cultural diversity, represents a unique and complete learning resource for sociology students worldwide. Each chapter addresses a new change in society, and reveals how progress in society often comes at a price. This text has been fully updated to include the latest key debates, topics and data, and also highlights the importance of technology in contemporary social life.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Seeing Sociology in your Everyday Life With a complete theoretical framework and a global perspective, Society: The Basics, 13/eoffers students an accessible and relevant introduction to sociology.
