Saved by the Bell, to the forefront of today's entertainment media, Mario Lopez is nothing short of a pop culture sensation. Now, as he turns forty, Mario looks back on his life with a newfound perspective and a humorous sensibility of how things have changed with age, divulging for the first time the endearing, surprising, and sometimes difficult experiences that shaped him into the loving father and husband he is today. In *Just Between Us*, Mario shares a behind-the-scenes look into his successes and disappointments in the entertainment business and how his tight-knit family and long-standing values helped keep him grounded, no matter what. With wit and candor, Mario reveals his most intimate never-before-told stories, including the details of his often tumultuous and largely public love life—giving readers a look at the ups and downs of his romantic past leading up to his happily-ever-after with his beautiful wife and their two children. This is Mario Lopez unfiltered, for the first time ever.

Live extra lean. Transform your body for life. And never feel bad about food again. As one of today's most beloved personalities on TV and hailed by *People* as the country's hottest bachelor, Mario Lopez is arguably known as much for his glowing personality as he is for his rock-hard abs. In his first diet book, *Extra Lean*, Lopez imparts his fool-proof plan for permanent weight loss while

eliminating the guilt from enjoying the foods you love. The Extra Lean plan trains your body to constantly burn fat by following three simple steps: 1) Balance your daily intake of carbs, protein and fat 2) Practice proper portion control and 3) Eat frequently throughout the day. Along with health physiologist and personal trainer, Jimmy Peña, and renowned nutritionist, Dana Angelo White, Mario clearly identifies optimal combinations of daily nutrients, transformative eating habits and invigorating mental conditioning tools that will truly redefine your approach to food. By following this plan, your metabolism will become a fat-burning machine allowing you to splurge on special days, weekends or vacations with little to no effect on the scale. With over 40 delicious and easy-to-follow recipes and a seven-week meal plan, Extra Lean is the complete program to change your body and the way you eat for life. Watch a Video

Provides a behind-the-scenes look at life on the set of the television program "Save by the Bell," along with a memoir of the life of the actor who played "Screech" on the show.

Mario and his younger sister make tacos out of mud and other things they find in their Nana's backyard.

A buoyant account of the nightly tug-of-war between a sleepy father and his son, and the richly imaginative "sleepy stories" they create Each story told in Sleepy Stories drifts deeper into a beguiling dream world, telling of an elastic gentleman who stretches his body across town to effortlessly slip into bed, or of another sleepy young man who curls inside an upside-down umbrella to take a snooze. In Diego Bianki's magical universe, the waking world is made small (a French press and a red top hat shrink before our

eyes), while the dream world Levrero and his son Nicolás build together (a land of sly frogs, giant apes, and smiling squids) waltzes across the page. On the last of Bianki's whimsical illustrations, Nicolás holds the book over his father's nodding head and says, "Another." This is a book to giggle with and curl up with, to take on every sleepy adventure.

"[A] translucent novel of passion, illusion and social class....slyly witty and luminous." —Francine Prose in *O, The Oprah Magazine*

During working hours, Mario is a dutiful bureaucrat, scrupulously earning his paycheck as an employee of the provincial Spanish town where he lives. But when he walks through the door of his apartment, he is transformed into the impassioned lover of Blanca, the beautiful, inscrutable wife he saved from the brink of personal crisis. For the love of Blanca, Mario eats sushi and carpaccio, nods in feigned understanding at experimental films, sits patiently through long conversations with her avant-garde friends, and conceals his disgust at shocking art exhibits. Then, little by little, a strange and ominous threat begins to weigh on the marriage. How can love survive its own disappearance? The desperate answer that Antonio Muñoz Molina proposes in this short, circular novella is a model of literary strategy and style, a splendid homage to Flaubert.

ONE OF THE BEST BOOKS OF THE YEAR: THE NEW YORK TIMES • NPR • THE GUARDIAN From pole to pole and across decades of lived experience, National Book Award-winning author Barry Lopez delivers his most far-ranging, yet personal, work to date. Horizon moves indelibly, immersively, through the author's travels to six regions of the world: from Western Oregon to the High Arctic; from the Galápagos to the Kenyan desert; from Botany Bay in Australia to finally, unforgettably, the ice shelves of Antarctica. Along the way, Lopez probes the long history of humanity's thirst for exploration, including the prehistoric peoples who trekked across Skraeling Island in northern Canada, the colonialists who plundered Central Africa, an enlightenment-era Englishman who sailed the Pacific, a Native American emissary who found his way into isolationist Japan, and today's ecotourists in the tropics. And always, throughout his journeys to some of the hottest, coldest, and most desolate places on the globe, Lopez searches for meaning and purpose in a broken world.
