Two years to the day after purchasing my Kenmore Elite Calypso, I am watching the workmen take it out of the door, and bring in a washer that works, to replace it. It broke down almost immediately after I got it, and was repaired under the warranty. I asked for a new machine, and was promised one, but none was ever delivered. Since the repair seemed ok and I was busy, I let it go. What a ...

Land and Bottlemania Like many people, Beth Terry didn't think an individual could have much impact on the environment. But while laid up after surgery, she read an article about the staggering amount of plastic polluting the oceans, and decided then and there to kick her plastic habit. In *Plastic-Free*, she shows you how you can too, providing personal anecdotes, stats about the environmental and health problems related to plastic, and individual solutions and tips on how to limit your plastic footprint. Presenting both beginner and advanced steps, Terry includes handy checklists and tables for easy reference, ways to get involved in larger community actions, and profiles of individuals—*Plastic-Free Heroes*—who have gone beyond personal solutions to create change on a larger scale. Fully updated for the paperback edition, *Plastic-Free* also includes sections on letting go of eco-guilt, strategies for coping with

Julia Davidson, Kingston University, UK Entrepreneurship and Organised Crime tarnishes the conventional clean and wholesome depiction of entrepreneurs by bringing to life the lived and messy realities of entrepreneurs who operate illegal businesses. Moving beyond the standard textbook positive and celebratory portrayal of entrepreneurs, this volume addresses in a highly readable manner both the entrepreneurial aspects of criminal endeavour as well as the criminal aspects of entrepreneurial endeavour. It is an essential and compelling read for scholars of entrepreneurship and criminology. Colin C. Williams, University of Sheffield, UK Entrepreneurship and Organised Crime provides a fresh and realistic insight into the problem of organised crime activity and the role of entrepreneurs in illegal business. Petter Gottschalk takes a close look at how some entrepreneurs choose to develop criminal business enterprises.

Stage models for criminal entrepreneurs are presented, and entrepreneurial leadership and management are discussed. This book illustrates how so many issues for entrepreneurs and entrepreneurship are similar in legal and illegal business. At the same time, all the cases in the book show how different many of the individual criminal entrepreneurs are. In sum, this book provides a pragmatic view of another kind of entrepreneurship not frequently discussed in a neutral way. This book will be warmly welcomed by scholars and researchers looking for a different perspective of entrepreneurship or interested in criminology. This will also be a good reference tool for students at police academies.

couldn't be any worse. Just when she's resigned herself to her fate, she sees a movie that will change her life—Sixteen Candles. But in her case, life doesn't imitate art. Tormented in school and hopelessly in unrequited love with a handsome football player, Davie finds it bittersweet to dream of Molly Ringwald endings. When a cruel school prank goes too far, Davie leaves the life she knows and reinvents herself in the glittery world of Hollywood—as a beautiful and successful lounge singer. Just as she's about to ride off into the L.A. sunset, the past comes back with a vengeance, threatening to crush Davie's dreams—and break her heart again. With wholly original characters and a cinematic storyline, 32 Candles introduces Ernessa T. Carter, a new voice in fiction with smarts, attitude, and sassiness to spare.

circus that was rock 'n' roll in the 1970s, taking a job with a young and upcoming band called AC/DC. While still a teenager she headed to the UK and later the US to work for a who's who of bands and artists. Life on the road was exhilarating, hard work, occasionally surreal but never dull, particularly when you're the only woman in the road crew and the #metoo movement is still 40 years away. Whether wrangling Iggy Pop across Europe, climbing trusses while seven months pregnant, drinking shots of JD with Bon Scott backstage at Wembley, or donning a tailor-made suit to do lights for Elton at Windsor Castle, Tana did it all. Loud is rock 'n' roll like you've never seen it before, by a woman who not only survived the all-male world on the road but climbed to the top and lived to tell the tale.
