Etruria | ancient country, Italy | Britannica
Etruria was completed in March 1885, twelve weeks later than Umbria and quickly entered service on the Liverpool to New York route. Etruria had many distinguishing features that included two enormous funnels that gave an impression of huge power. She also had three large steel masts which when fully rigged had an extensive spread of canvas.

RMS Etruria - Wikipedia
Etruria remained a dominant force in central Italy until the Etruscans supported the Roman Marius in Rome ’s civil war and the region was fully incorporated into the burgeoning Roman Empire. By far the most interesting room of this museum is Room IX, which houses imported Greek ceramics found in the ancient city of Vulci.
