Learn C the Hard Way: Practical Exercises on the ...

This is definitely the "hard way" of learning C without much background on other languages or computer science. flag Like · see review. Nov 28, 2015 Vasil Kolev rated it it was amazing. Shelves: good-tech-books, tech. This seems great for beginners, as it goes nicely through the language and gives some very good exercises for people to do. It won't be that useful without the exercises, but ...
